World Politics Since Nineteen Forty Five:

World Politics since 1945 Peter Calvocoressi, 2013-09-13 The most lucid comprehensive intelligent and reliable account of post war modern history on the market Teaching Politics The book compels admiration for its thoroughness its scope the masterly ordering of its immense material The Sunday Times The ninth edition of this enormously successful standard work has been expanded to take into account the developments of the last 10 years including the wars in Iraq Afghanistan and Sudan the accelerating emergence of India and China as major powers the major political developments in Latin America including the rise and perhaps fall of Chavez in Venezuela the march of globalisation and the popular protest movements against the expansion eastwards of the European Union instability in the Middle East and the question of oil and energy supply Marked throughout by Calvocoressi's characteristic erudition and elegance *World Politics since 1945* is essential reading for those who need to understand the great sweeps of contemporary history *Japan's Role in International Politics since World War II* Edward R. Beauchamp, 2013-04-11 The best scholarship on the development of contemporary Japan This collection presents well over 100 scholarly articles on modern Japanese society written by leading scholars in the field These selections have been drawn from the most distinguished scholarly journals as well as from journals that are less well known among specialists and the articles represent the best and most important scholarship on their particular topic An understanding of the present through the lens of the past The field of modern Japan studies has grown steadily as Westerners have recognized the importance of Japan as a leading world economic force and an emerging regional power The post 1945 economic success of the Japanese has however been achieved in the context of that nation's history social structure educational enterprise and political environment It is impossible to understand the postwar economic miracle without an appreciation of these elements Japan's economic emergence has brought about and in some cases exacerbated already existing tensions and these tensions have in turn had a significant impact on Japanese economic life The series is designed to give readers a basic understanding of modern Japan its institutions and its people as we stand on the threshold of a new century often referred to as the Pacific Century **Korea in World Politics, 1940-1950** Soon Sung Cho, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1967 *International Politics Since World War II* Charles L. Robertson, 1997-03-24 The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America's postwar pre-eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the

crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way
