Somewhere Else Poems:

Somewhere Else Stephen Wade, 2001-01-01 Themes included in this collection of poems are the complexities of love and isolation the need for friendship and the increasing spiritual need in the climate of postmodernity and the disintegration of community sense **From Somewhere to Somewhere Else** Jeffery Martin, 2013-06 From Somewhere to Somewhere Else touches on a myriad of experiences and the emotions they evoke It is a journey of the mind put in certain circumstances and what those circumstances produce Yes it attempts to be a work of art but more importantly it is a work of passion and our passion is often what pushes us from somewhere to somewhere else *Somewhere Else* Matthew Shenoda, 2001 *After Being Somewhere Else* Cherryl Smith, 2005 After Being Somewhere Else is a moving retrospective that understands the paradoxes of the past embraces the beauty of the present and looks forward to tomorrow with infinite possibility The poet persona travels the road that is her life fusing into a wholeness the spaces of the past present and future inviting the reader as a fellow traveler Being somewhere else does not negate where we are now or where we will be tomorrow All depends on how we understand and interpret our life experiences how we dare to tell with total honesty the narrative that is us *The Road to Somewhere Else* Tiffany Sunday, 2023-11 **Here and Somewhere Else** Grace Paley, Robert Nichols, 2007 Various stories and poems by Grace Paley and Robert Nichols **Before Leaving Again for Somewhere Else** Steven Frattali, 2012-09-16 Inspired by Ashbery Breton Heiner Muller and others this long poem explores the human self in a style reminiscent of experimental film **Somewhere In Between** Joanne Boyle, 2024-02-26 Discover the magic of poetry and let your imagination soar with this latest collection by Joanne Boyle author of the viral poem Queen Embark on an enchanting voyage through the verses of this spellbinding poetry collection With each turn of the page immerse yourself in a tapestry of emotions from the tender embrace of love to the poignant depths of loss These timeless words will stir your soul and invite you to explore the profound beauty of the human experience *Somewhere Else Entirely* Ruth Fainlight, 2018 Ruth Fainlight is one of Britain's most distinguished poets Born in New York City she has lived mostly in England since the age of 15 publishing her first collection *Cages* in 1966 and her retrospective *New Collected Poems* in 2010 Her poems give us truly new visions of usual and mysterious events A S Byatt Each is a balancing act between thought and feeling revealing otherness within the everyday often measuring subtle shifts in relationships between women and men Her poems give us truly new visions of usual and mysterious events A S Byatt Each is a balancing act between thought and feeling revealing otherness within the everyday often measuring subtle shifts in relationships between women and men She has always drawn on a wide range of subject matter yet the arc of her attention has shifted in her later work the meaning and effect of the passage of time becoming more central and fascinating as she ages Written during her 80s the poems of *Somewhere Else Entirely* are shadowed by the death of her husband Alan Sillitoe The book also includes several short pieces of prose memoirs of childhood years spent in the USA firstly those from zero to five years old then a group about the ages between 10 and 15

during the Second World War when their mother took her and her brother Harry back to their American birthplace On the Train for Somewhere Else Brenda Wildrick,2023-11-02 Journey through a collection of free verse and traditional forms into scenes of family faith and grandma s house from the perspective of a 1960 s childhood Surround yourself in the sweet familiarity of nature and the changing seasons Then travel on into the challenge of finding hope in the tears and turbulence of the early 2020 s This train will even jump the track leave reality behind and venture into the limitless possibilities of fanciful imagination You re right on time The train for somewhere else approaches now The Somewhere Else World Joel Rogosin,2014-08-23 **Who are We that We Come from Somewhere Else** Robert Whitehead,2011 **Somewhere Else** William B. Robertson,1996 **Somewhere In Between** Virginia Archer,2016-12-08 Somewhere In Between is a book of poems about love falling in love falling out of love and hoping for the darn stuff It is a book to cry over alone or read out loud to your significant other Anyone who has ever experienced love and heartbreak will relate Somewhere-In-Between Ifeloluwa J Ti-Kristi,2022-08-23 To you In the years that I struggled At the time I was caught in the midst of my fears Iffy about the right or wrong Yet still I found peace Love was there for me Some days were good other days were bad Oh sinner me When will you ever be right This struggle is eating deep Will I ever be free from its hold on me Yet still I found peace Love waited for me In Somewhere in Between lies the hope that you are not alone and that whatever you are going through or you have been through it will be all right The collection of poems in this book speaks of hope love and redemption As you read this poetry collection you experience the Father s love through the heart of the poet **Somewhere, Sometime, Somehow** JulesVerne Orion,2008-09-29 These poems and short stories are arranged in chronological order as they were inspired by a long term love affair and written from 1989 to 2007 For the perceptive reader one can trace the ups and downs of our relationship These 18 years were filled with love and passion Perhaps it was fantasy perhaps it was the most real thing we will ever experience These inspired poems were written mostly during the first ten years As it became obvious that my dream would never come true the inspiration dwindled and fewer poems were written in later years The heartbreaking part of this 18 year love affair is that I am not sure my lover ever really understood or appreciated my unconditional deep love for her I opened my heart to her through poetry but I never knew what was in her heart Perhaps it was a one sided love affair but I think and hope not I was convinced that she loved me through her words and actions At least I experienced a love that I had only dreamed possible Each image carefully placed in this book carries a very special meaning for the poem and for our love journey Even the clock photo carries a meaning related to the untimely death of US Each word is carefully chosen to convey my feelings While I tried to express my love in poetic words there was an enormous amount left unsaid I can only hope you find meaning and joy in the thoughts and feelings these words convey to you A fuller story of this passionate love affair will be unfolded in an upcoming book **We Are All From Somewhere Else** Ruth Padel,2020-10-27 First published as The Mara Crossing now with new and updated material A prodigy a book of wonders Wonder pity and terror the searing

section of voices in transit coercing compassion and beyond that empathy Independent Home is where you start from but where is a swallow's real home And what does native mean if the English oak is an immigrant from Spain In ninety richly varied poems and illuminating prose interludes Ruth Padel weaves science myth wild nature and human history to conjure a world created and sustained by migration from the millennia old journeys of cells trees birds and beasts to Geese battle raging winds over Mount Everest lemurs skim precipices in Madagascar and wildebeest at the climax of their epic trek from Tanzania braving a river filled with the largest crocodiles in Africa Human migration has shaped civilisation but today is one of the greatest challenges the world faces In a series of incisive portraits Padel turns to the struggles of human displacement the Flight into Egypt John James Audubon emigrating to America feeding migrant birds en route migrant workers in Mumbai and refugees labouring over a drastically changing planet to show how the purpose of migration for both humans and animals is survival
