Michael Stork, 2024-11-02 *Bakersfield* By J M Stork In *Bakersfield* a darkly surreal novel of self discovery and reckoning Michael embarks on a cross country road trip that will force him to confront the depths of his own fractured soul Lost and spiraling after another failed job Michael is haunted by addiction regret and a sense of purposelessness he can no longer outrun But the open road has plans for him When he encounters Sa an enigmatic woman who seems to know more about him than he knows about himself Michael is drawn into a supernatural landscape where the boundaries between reality and illusion blur Sa reveals that she is from a dimension called the Fade a place where human spirit energy fuels her world and where a machine known as Archangel has destabilized the delicate boundaries between dimensions plunging both worlds into a slow decay As Michael journeys deeper into the heart of the Fade he is pulled into a hallucinatory dreamscape where a second voice Ezekiel stirs within him a force of destruction of cold logic urging him to abandon his futile hopes and accept the darkness within Michael's struggle to reconcile his need for redemption with Ezekiel's thirst for chaos leads him to the ultimate question can he become both savior and destroyer Equal parts psychological thriller and metaphysical journey *Bakersfield* explores the duality within us all the light and dark creation and destruction as Michael confronts the ghosts of his past and the frightening possibility that true transformation may require him to lose himself completely Anchored by haunting prose and a relentless drive toward self exploration *Bakersfield* is a profound meditation on addiction redemption and the terrifying beauty of embracing our most hidden selves For readers of Haruki Murakami Neil Gaiman and fans of dystopian existential fiction *Bakersfield* is a gripping and unforgettable odyssey into the unknown
