ROBLOX The Adventures of Nooby Norman Imagine a world where your actions are controlled by someone else s click of a mouse You have thoughts feelings and emotions but whenever you try to act in a way that is in agreement with these feelings and emotions it feels as if there is another force that is causing you to act in a different way You re a pawn an entity that at the end of the day is under someone else s control In other words if you ve ever wondered what it would be like to live inside of a game then this is the book for you What s more if you re an avid Phantom Forces player who has always wondered about other aspects of the game then this is even more of a reason why you should be downloading this book as soon as you can This book promises to provide you with coveted information on why the Phantoms and the Ghosts are dueling in the first place If you ve been left in the dark and wondering why it is that these two teams have been pitted against each other from the beginning now is your chance to find out Our protagonist Norman wakes up to find himself completely disoriented and lost in a new location that he has never before seen Not only is Norman a soldier within the Phantom Forces world who is new to the game he also suffers from a chronic case of being a n00b While it s unclear as to whether or not it s actually the human behind his actions who is the real n00b one thing is for certain if Norman wants to survive in this world he is going to have to learn how to fight like the rest of them or die many slow and painfully boring deaths trying With his n00bish tendencies often debilitating his ability to make friends and join clans it s safe to say that n00by Norman has his work cut out for him Norman meets other players along the way including his arch nemesis NunChuckNorris835 and his unintentional mentor and elite combat fighter AWOLDin0saur212 Even though NunChuckNorris835 is a Phantom just like Norman is the two just can t seem to get along The biggest reason why the two players can t agree is because NunChuckNorris835 can tell from a mile away that he is dealing with perhaps the greatest n00b that the Crane Site has ever known After AWOLDin0saur212 provides Norman with the ability to defeat his arch nemesis a final battle through the game Team Deathmatch will determine whether or not Norman will walk away victorious or lose and be forever deemed the biggest n00b of the Crane Site Find out now by downloading the epic adventures of N00by Norman *The Advanced Roblox Coding Book: An Unofficial Guide, Updated Edition* Heath Haskins, 2022-05-24
