Bennett's 1929 play *Blackmail* as the first British sound film. Their partnership produced six thrillers: *The Man Who Knew Too Much*, *The 39 Steps*, *Sabotage*, *Secret Agent*, *Young and Innocent*, and *Foreign Correspondent*. In this witty and intriguing book, Bennett discusses how their collaboration created such famous motifs as the wrong man accused device and the MacGuffin. He also takes readers behind the scenes with the Master of Suspense, offering his thoughts on the director's work, sense of humor, and personal life. Featuring an introduction and additional biographical material from Bennett's son, editor John Charles Bennett, Hitchcock's Partner in Suspense is a richly detailed narrative of a remarkable yet often overlooked figure in film history.

Tee Time in Berzerkistan G. B. Trudeau, 2009-10-20

No rogue regime ever needed its evil-doing professionally reframed more urgently than Greater Berzerkistan, whose president for life Trff Bmzklfrpz pronounced Ptklm needs to spin a recent round of ethnic cleansing. Fortunately, the pariah state and its 50-hole golf course built overnight by Kurds and Jews borders Iran, a fact that K Street uberlobbyist Duke is retained to parlay into a major U.S. arms package. Meanwhile, across town, the crumbling of the newspaper industry crushes Rick Redfern's hope of continuing employment. After 35 years at the *Washington Post*, he is ejected into the blogosphere where his prose now battles it out with that of 1,186,783,465 rivals, including Roland Hedley, who takes the art of Twittering to a new self-reverential low. Truly, everyone in Doonesburyland is struggling to adapt. While white Washington insiders scramble to acquire some African American friends, longtime black conservative Clyde schemes to score Obama's Blackberry number. Clinton-era Dems are forced to attend the president elect's No Drama School, and Jimmy Thudpucker once again reboots his career this time as a cell phone ring tone artist. No one ever said change was pretty.

Theatre of Movement and Gesture Jacques Lecoq, 2006-08-31

Published in France in 1987, this is the book in which Lecoq first set out his philosophy of human movement and the way it takes expressive form in a wide range of different performance traditions. He traces the history of pantomime, sets out his definition of the components of the art of mime, and discusses the explosion of physical theatre in the second half of the twentieth century. Interviews with major theatre practitioners Ariane Mnouchkine and Jean-Louis Barrault by Jean Perret, together with chapters by Perret on Tienne Decroux and Marcel Marceau, fill out the historical material written by Lecoq, and a final section by Alain Gautr celebrates the many physical theatre practitioners working in the 1980s.
