The Preacher's Guide to Suicide H. C. Johnson, 2022-03-18 This book makes the startling claim that the pulpit is the appropriate place to address suicide In *A Preacher's Guide to Suicide* Johnson chisels through the rusty prison bars of cultural pretense and the oppressive myths of suicide Using history the social and behavioral sciences and biblical inquiry over the centuries of varied Christian voices Johnson demonstrates that suicide is part of the very fabric of Christian identity And to preach suicide awareness is to preach life into the very act of dying While grappling with the contemporary understanding of neuroscience psychopathology societal values and individualism Johnson seeks to present suicide in a hopeful light as we all approach death in those daily moments of confession forgiveness and prayer Johnson hopes to provoke further conversation within the Christian community about the richness of suicide within the Scriptures and seeks to be a source of inspiration for preachers

Judges Abraham Kuruvilla MD, 2017-06-05 *Judges* A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying *Judges* is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God's people Since God's people are all called to be leaders in some arena to some degree in some fashion the lessons of *Judges* are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of *Judges* While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of *Judges* The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through *Judges* with an emphasis on application

Heroines, Heroes and Deity Dolores G. Kamrada, 2016-08-11 Kamrada's study analyses three narratives concerning the greatest heroic figures of the biblical tradition Jephthah's daughter Samson and Saul and includes

a consideration of texts about King David All three characters are portrayed as the greatest and most typical and exemplary heroes of the heroic era All three heroes have an exceptionally close relationship with the deity all die a traditionally heroic tragic death Kamrada argues that within the Book of Judges and the biblical heroic tradition Jephthah s daughter and Samson represent the pinnacle of female and male heroism respectively and that they achieve super human status by offering their lives to the deity thus entering the sphere of holiness Saul s trajectory by contrast exemplifies downfall of a great hero in his final irreversible separation from God and it also signals the decline of the heroic era David however is shown as an astute hero who founds a lasting dynasty thus conclusively bringing the heroic era in the Deuteronomistic history to a close
