True Gritswhat Else:

True Grit Charles Portis, 2011-01-14 The new Coen brothers film starring Matt Damon and Jeff Bridges in cinemas from February 2011

True Grit Charles Portis, 1983 This book is Portis's most famous novel and the basis for the movie of the same name starring John Wayne. It tells the story of Mattie Ross, a 14-year-old girl from Arkansas in the 1870s who sets out one winter to avenge the murder of her father.

True Grit Charles Portis, 2010-11-05 1 New York Times bestseller. An epic and a legend. Washington Post: Quite simply an American masterpiece. Boston Globe: The dialogue in *True Grit* is exquisite. David Mamet: Charles Portis had a wonderful talent, original, quirky, exciting. Larry McMurtry: Charles Portis has long been acclaimed as one of America's most enduring and incomparable literary voices, and his novels have left an indelible mark on the American canon. *True Grit* his most famous novel was first published in 1968 and has garnered critical acclaim as well as enthusiastic praise from countless passionate fans for more than fifty years. This story of danger and adventure in the old west became the basis for two award-winning films: the first starring John Wayne in his only Oscar-winning role as Marshall Rooster Cogburn, and the widely praised remake by the Coen brothers starring Jeff Bridges. *True Grit* tells the story of Mattie Ross, who is just fourteen when the coward Tom Chaney shoots her father in Fort Smith, Arkansas, and robs him of his life, his horse, and 150 cash. Filled with an unwavering urge to avenge her father's blood, Mattie finds and, after some tenacious finagling, enlists one-eyed Rooster Cogburn, the meanest available US Marshal, as her partner in pursuit, and they head off into Indian Territory after the killer. *True Grit* is essential reading. Not just a classic Western, but an undeniable classic of American literature, as eccentric, cool, funny, and unflinching as Mattie Ross herself. For fans of either the John Wayne classic or the more recent Coen brothers movie, it's a chance to relive the story of Mattie and Rooster and experience their story as it was originally told. For fans of taut, funny storytelling, it will be a joy to experience in its original form. This edition includes an afterword by bestselling author Donna Tartt, *The Secret History* and *The Goldfinch*, and a reading group guide.

True Grit Charles Portis, 2002-12-31 The story of a fourteen-year-old girl who sets out to avenge her father's death, told in first person.

[The Coen Brothers' America](#) M. Keith Booker, 2019-05-24 For more than three decades, Joel and Ethan Coen have produced some of the most unique and thought-provoking works in modern cinema. In broad comedies such as *Raising Arizona*, violent thrillers like *No Country for Old Men*, and black comedies such as *Fargo*, the filmmakers have offered brilliant takes on a variety of film genres. One of the most distinctive features of their movies is their skewed view of America itself. In *The Coen Brothers' America*, M. Keith Booker discusses feature films produced by the pair since their 1984 debut *Blood Simple*. The author focuses on how the Coen brothers' films engage with American cultural history and are embedded in specific geographical settings. From New York to Los Angeles, from Texas to Minnesota, the

Coens capture the essence of real locations from unusual angles which often make the films appear as if they are taking place in an alternate reality In addition many of the brothers films are steeped in America s cultural past from the deep south of the 1930s in *O Brother Where Art Thou* to the Greenwich Village of the 1960s in *Inside Llewyn Davis* The Coens make particularly effective use of films from Hollywood s Golden Age producing their own updated versions of such genres as film noir *The Man Who Wasn t There* the Western *True Grit* and screwball comedy *The Hudsucker Proxy* not to mention their idiosyncratic depictions of Hollywood itself in *Barton Fink* and *Hail Caesar* This book also explores how the Coens draw upon cultural phenomena outside of film including literature music and television Approaching each film within the framework of Ethan and Joel s overall vision *The Coen Brothers America* provides an entertaining look at the pair s work that will appeal to scholars and fans alike
