The Congregationalist ,1912 **The Poet's Perspective** Charles Peterson : The Poet, 2018-10-29 Faith of the Believer is a combination of creative poetry philosophy and wit that is founded on the believer s responsibility to seek to rise up to the standard A standard which was founded by our Savior which came with basic instructions for each believer to go teach and make disciples Poetry is the vehicle philosophy is the wheels on which it rolls and the Word is the fuel which propels it Somewhere within the bounds of Faith of the Believer is a spirit check a personal revival an awakening of your original vow A vow to a faith that you were not drafted into but one that you believe in your heart and confessed with your mouth and freely enlisted So if you are outside of His will then know that there might be something you yet need to do or someone that only you can reach So you might need to get off the sidelines and back in the game a game that we can t afford to lose For we are all here with purpose And time is winding down for the children of man I come to you in the volume of the book with purpose as one crying in the wilderness trying to open the eyes of the children of man before they are harvested by minds of destruction For God called preachers God sent teachers God sent prophets and God sent poets And I am The Poet and this is The Poet s perspective on the faith of the believer
