Points to guide interpretation of the story

- 2) Some factors that hinder people from getting married.
- 3) What parents want for their children compared to what they want.
- 4) Parenting styles and conflicts that can arise from them.
- 5) Missionary work — Is it a good thing or a bad thing?

- 9) Traditional practices before marriage, negotiation, giving of gifts to the bride.

TITLE

The truly Married Woman'

What is the meaning of the title?

A woman can live for long with a man (cohabit) and never be considered married — Ayo is not married, yet she has lived with Ajayi for twelve years. There must be a marriage ceremony (Church marriage) to be genuinely married.

A truly married woman changes in behaviour. She seizes to be dutiful and demands more respect. Ayo refuses to prepare her husband's morning tea after she is married.

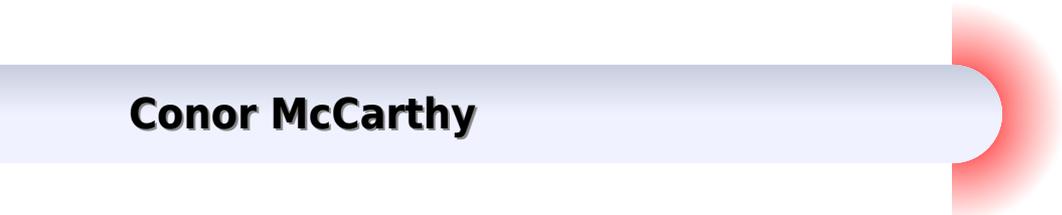

CHARACTERS

a. Ajayi

- He is a government clerk who has lived with Ayo for over twelve years.
- He meant to marry her in church, but he procrastinated until Ayo gave up on the dream of getting appropriately married.
- He is cautious about his health and takes various precautions to ensure he remains healthy.

MARRIAGE WITHOUT A LICENSE: A Completely Moral Alternative to Civil Marriage Laura M. Sands, 2011-05-13 By the power vested in me by God and the State of XYZ I now pronounce you husband and wife If you ve ever wondered when and how God gave a minister the power to declare two people as married this book is for you If you ve ever searched the Bible for a description of a wedding or an exchanging of marriage vows and have come up empty handed this book is for you If you ve ever wondered if two people can marry without a marriage license this book is definitely for you Marriage has existed since the beginning of time while the marriage license is a relatively new creation in American culture A marriage license is never mentioned in the Bible and most early American settlers never heard of such a document For as long as men and women have been on earth marriages have taken place How is it then that so many people have come to believe that government involvement is the only way for two people to become married Using biblical scripture as well as legal and historical evidence this book will show you why so many are purposely choosing marriage without a license It presents a strong argument in favor of government free marriage while proving that such is a completely legal and moral alternative to civil marriage Most important however this book will clearly illustrate the fact that marriage as it is depicted in the Bible is a completely separate entity from civil marriage While social and political debate about who has the right to marry rages on it is more important than ever to understand the distinctions between biblical and civil marriage traditions This book goes a long way in highlighting why it is necessary to separate church and state in such matters It further illustrates why so many who view civil marriage through a religious lens are wrong in doing so Sure to spark controversy in the hearts of many Marriage Without a License will take you on an historical social and religious journey that will turn what you thought you knew about marriage upside down Whether you agree or disagree with its contents one thing is for sure after reading this book you will never view civil matrimony in the same light again Visit the Marriage Without a License blog at <http://marriagewithoutalicense.com>
