*Beware the Winds of Doctrine* Henry Miranda, 2011-07-29      **Gentle Wind Of God** Richard K. MacMaster, Donald R. Jacobs, 2006-06-28 While many Mennonite churches in mid 20th century North America tried to maintain their spirituality through orthodoxy and prescribed behavior missionaries they had sent to East Africa often returned home with a new vision of revival Walk with Jesus Christ and allow nothing to disturb that relationship Call sin sin and repent of it quickly they proclaimed Then enjoy the infusion of the Holy Spirit in all of life This book tells the story of how this movement ultimately provided Mennonites and others a way to reignite the smoldering fires of revival Imbedded in the story is the message of God s redeeming and sanctifying power The story describes the mystery It is a mystery of God s grace It is the mystery that is revealed in every authentic movement of God s Spirit in the world      **The Fire of God's Love** Bob Sorge, 1996-11 This book explores how God is igniting His Bride in this hour with His firey love awakening us to blazing passion for our Beloved Lord Jesus Emerging from the crucible of the firey dealings of God is a Bride who has been purified of all other affections but one her desire for her Beloved the Lord Jesus Look into this furnace of God s love at your own risk It is a fire that consumes all but love Take the time to come to the passion that blazes on the cross let that love purge you of every defiling desire He intends to capture and possess every part of your being by revealing to you the fire of His love      **Transgenerational Remembrance** Jessica Nakamura, 2020-01-15 In *Transgenerational Remembrance* Jessica Nakamura investigates the role of artistic production in the commemoration and memorialization of the Asia Pacific War 1931 1945 in Japan since 1989 During this time survivors of Japanese aggression and imperialism previously silent about their experiences have sparked contentious public debates about the form and content of war memories The book opens with an analysis of the performance of space at Yasukuni Shinto Shrine which continues to promote an anachronistic veneration of the war After identifying the centrality of performance in long standing dominant narratives *Transgenerational Remembrance* offers close readings of artistic performances that tackle subject matter largely obscured before 1989 the kamikaze pilot Japanese imperialism comfort women the Battle of Okinawa and Japanese American internment These case studies range from Hirata Oriza s play series about Japanese colonial settlers in Korea and Shimada Yoshiko s durational performance about comfort women to Kondo Aisuke s videos and gallery installations about Japanese American internment Working from theoretical frameworks of haunting and ethics Nakamura develops an analytical lens based on the Noh theater ghost Noh emphasizes the agency of the ghost and the dialogue between the dead and the living Integrating her Noh inflected analysis into ethical and transnational feminist queries Nakamura shows that performances move remembrance beyond current evidentiary and historiographical debates      **Visions of the Lamb of God** Andrew Scott Brake, 2019 This commentary on Revelation is for those who are

looking for an easy to read biblically central and Christologically focused commentary on one of the most intriguing books of the Bible This commentary attempts to get away from the needless debate though different views are presented and focus the reader s attention on the primary focus of the book the Lamb of God The Lamb holds history in his hand by virtue of his eternal authority and his invested authority because of the blood that he spilled and his testimony Therein lies his victory and therein lies the victory for those who follow him     **Consecrated Common Sense** Nellie Olmsted Lincoln,1921
