Wine Whispers:

The Old Agency Constance Fenimore Woolson,1874 **Feminizing Theory** Rhea Ashley Hoskin,2021-09-09 The term femme originates from 1940s Western working class lesbian bar culture wherein femme referred to a feminine lesbian who was typically in a relationship with a butch lesbian Expanding from this original meaning femme has since emerged as a form of femininity reclaimed by queer and culturally marginalized folks Importantly femme has also evolved into a theoretical framework Femme theory argues that femme constitutes a missing piece in queer and feminist discourses of femininity Attending to this gap femme theory centres queer femininities as a means of pushing against the deeply embedded masculinist orientation of queer and gender theory Thus femme theory offers tools to shift the way researchers and readers understand femininity as well as systems of gender and power more broadly This book is an introduction to femme theory showcasing how femme can be used as a theoretical framework across a variety of contexts and disciplines such as Film from countries including Canada China Guyana and the USA Femme theory asks readers to reconsider how femininity is conceptualized revealing some of the many taken for granted assumptions that are embedded within cultural discourses of gender sexuality and power The chapters in this book were originally published as a special issue of the *Journal of Lesbian Studies*

Hennessey ,2025-07-19 In the golden hills of Tuscany some secrets bloom and others burn When travel writer Grace Whitmore arrives in Montepulciano she expects olive oil tastings and quiet walks through sunflower fields not cryptic letters vanished artists and war time whispers buried beneath vineyard soil But when a celebrated local painter disappears on the eve of a major exhibition Grace is drawn into a tangled mystery that spans generations From secret studios and hidden frescoes to coded journals and long lost betrayals she must follow the clues through ancient ruins quiet chapels and stormy nights to uncover a truth no one wants revealed As Tuscany s sun drenched charm hides darker shadows Grace must decide how far she s willing to go for the truth especially when the next brushstroke could be her last Rich in history wine and suspense this is Grace Whitmore s most personal and perilous adventure yet

The Flavour Thieves Andrew Hay,2026-01-09 A stolen cheese A secret tasting A food writer in too deep Saffron Tate just wanted to write an article until the gourmet world served up something criminal When the cheese vanishes so does the truth Saffron Tate sharp tongued food writer and part time motorbike menace is invited to write a glowing piece on Hollowstone Farm a traditional dairy clinging to its cheesemaking heritage in the village of Cheddar But the story takes a pungent turn when 500 wheels of their prized cave aged cheddar mysteriously disappear overnight What begins as a mild curiosity soon melts into something much more sinister As Saffy sniffs out clues in local pubs national food expos and increasingly exclusive tasting rooms she uncovers a world of counterfeit flavours luxury food fraud and an underground

network that's curating taste itself With a sarcastic grin a backpack full of notebooks and a cheese knife that's seen more action than her dating life Saffy must follow the crumbs from sleepy Somerset to secret Parisian salons before the culprits cover their tracks with truffle oil Perfect for fans of Richard Osman Alexander McCall Smith and anyone who thinks crime should always be served with a cheese board *The Flavour Thieves* is the first in a delicious new cosy mystery series starring the irrepressible Saffron Tate writer investigator and culinary truth seeker [Harmonious Flight](#) Tracie Skarbo,2011 *Harmonious Flight* is a compilation of personal poems by new author Tracie Skarbo She shares her ideas about human behavior personal experiences interactions with nature personal growth and life itself Skarbo first began writing as a young girl I can remember sitting at my small desk with a blue toy typewriter bringing stories into fruition I would be hunting and pecking away at the keys in my room while dreaming the big dream of eventually seeing my words in print Her dream has finally come true When I get an idea it is like a child having a tantrum until I pacify it The idea will be there bouncing about in my head until I give it the words it deems appropriate Only then will it stop screaming in my ear the text and words of meaning seem to lull the ideas to sleep Then and only then can I get some shut eye of my own About the Author Tracie Skarbo was motivated to write by her father who was her biggest supporter He was always behind me rallying me on with my writing I would always see him with a book in hand He gave me a great appreciation for the written word and the power and responsibility that writers have to shape those who read their words He also taught me to respect nature and to value the beauty within it my reflections on my environment are just an extension of this Skarbo was raised on Vancouver Island and is working on her next two books Publisher's website <http://www.strategicpublishinggroup.com/title/HarmoniousFlight.html>
