**China's Wings** Gregory Crouch, 2012-02-28 From the acclaimed author of Enduring Patagonia comes a dazzling tale of aerial adventure set against the roiling backdrop of war in Asia The incredible real life saga of the flying band of brothers who opened the skies over China in the years leading up to World War II and boldly safeguarded them during that conflict China s Wings is one of the most exhilarating untold chapters in the annals of flight At the center of the maelstrom is the book s courtly laconic protagonist American aviation executive William Langhorne Bond In search of adventure he arrives in Nationalist China in 1931 charged with turning around the turbulent nation s flagging airline business the China National Aviation Corporation CNAC The mission will take him to the wild and lawless frontiers of commercial aviation into cockpits with daredevil pilots flying sometimes literally on a wing and a prayer into the dangerous maze of Chinese politics where scheming warlords and volatile military officers jockey for advantage and into the boardrooms backrooms and corridors of power inhabited by such outsized figures as Generalissimo and Madame Chiang Kai shek President Franklin Delano Roosevelt foreign minister T V Soong Generals Arnold Stilwell and Marshall and legendary Pan American Airways founder Juan Trippe With the outbreak of full scale war in 1941 Bond and CNAC are transformed from uneasy spectators to active participants in the struggle against Axis imperialism Drawing on meticulous research primary sources and extensive personal interviews with participants Gregory Crouch offers harrowing accounts of brutal bombing runs and heroic evacuations as the fight to keep one airline flying becomes part of the larger struggle for China s survival He plunges us into a world of perilous night flights emergency water landings and the constant threat of predatory Japanese warplanes When Japanese forces capture Burma and blockade China s only overland supply route Bond and his pilots must battle shortages of airplanes personnel and spare parts to airlift supplies over an untried five hundred mile long aerial gauntlet high above the Himalayas the infamous Hump pioneering one of the most celebrated endeavors in aviation history A hero s eye view of history in the grand tradition of Lynne Olson s Citizens of London China s Wings takes readers on a mesmerizing journey to a time and place that reshaped the modern world

Pan Am at War Mark Cotta Vaz, John H. Hill, 2019-02-12 Filled with larger than life characters and revelations of the vision and technology it took to dominate the skies before and during World War II here is a gripping piece of aviation history Pan Am at War chronicles the airline s historic role in advancing aviation and serving America s national interest before and during World War II From its inception

Pan American Airways operated as the wings of democracy spanning six continents and placing the country at the leading edge of international aviation. At the same time it was clandestinely helping to fight America's wars. Utilizing government documents declassified Freedom of Information Act material and company documents the authors have uncovered stories of Pan Am's stunning role as an instrument of American might. The airline's role in building air bases in Latin America and countering Axis interests that threatened the Panama Canal. Creating transatlantic and trans-Africa supply lines for sending Lend Lease equipment to Britain. Cooperation with Chiang Kai-shek and the Chinese nationalist government to pioneer the dangerous Hump route over the Himalayas. The dangerous seventeen thousand mile journey that took President Roosevelt to the high stakes Casablanca Conference with Winston Churchill. The daring flight that delivered uranium for the atomic bomb. For anyone interested in aviation business or military history here is an astonishing story filled with big ideas and the leaders who made them a reality.

[The Hunt for Jimmie Browne](#) Robert L. Willett, 2020-01-01 On Tuesday November 17 1942 aircraft CNAC No 60 climbed slowly toward the Himalayas growing smaller and smaller until it finally faded from sight never to be seen again until seventy years later. This is the story of one family's search for answers about the aircraft and its crew particularly the co-pilot James S. Browne. Browne was a pilot for China National Aviation Corporation (CNAC) an airline jointly owned by the Republic of China and Pan American World Airways and flown under contract with the U.S. Army Air Corps. CNAC's mission was to pioneer and fly the dangerous Hump routes over the Himalayas to deliver gasoline weapons ammunition and war goods. These supplies were desperately needed to keep China in the war for if China left the war more than one million Japanese troops would be free to control the Pacific. Browne and his crew were killed in a plane crash while en route to Dinjan Airfield in India for supplies. Rescue missions following their disappearance were unsuccessful. Nearly forty years later Robert L. Willett picks up where the search left off hoping to find Browne his missing cousin. After gathering crash site information on a trip to China Willett sends a search team on three ascents up Cang Shan Mountain near Dali China and finally strikes metal the scattered wreckage of Browne's C-47. From the very beginning of the discovery eight years ago Willett's efforts to excavate the site and bring Jimmie Browne home have encountered bureaucratic roadblocks with U.S. government agencies and the Chinese government. His search and recovery mission continues even today.

*The Moys of New York and Shanghai* Charlotte Brooks, 2026-03-10 The most extraordinary family you've never heard of. Born to Chinese immigrant parents the Moy siblings grew up in an America that questioned their citizenship and denied their equality. Sophisticated and self-consciously modern they challenged limitations and stereotypes in the United States and sought new opportunities in China's tumultuous republic. Sometimes the risks they took paid off but their occasional recklessness also led to infidelity divorce bankruptcy and worse. Those in China faced pressure to collaborate with Japanese occupiers making choices that had serious consequences for their siblings in the United States. Charlotte Brooks's gripping tale follows the family back and forth across the Pacific and through two world wars China's Nationalist and Communist revolutions and the

Cold War events that the siblings and their spouses helped shape The Moys incredible story offers a kaleidoscopic view of an entire generation s struggle for acceptance and belonging *Stranded in the Sky* Philip Jett,2023-05-16 From the author of Taking Mr Exxon and The Death of an Heir comes the untold story of four luxury airliners trapped in the Pacific Ocean on and after the Day of Infamy In the first week of December 1941 four Pan American Airways System Pan Am flying clippers the largest and most lavish transpacific airliners in the world took off from the North American West Coast loaded with wealthy and affluent passengers on their way to exotic destinations On December 7 1941 the Imperial Japanese Navy Air Service executed a surprise coordinated attack against the US naval base at Pearl Harbor Within hours Midway Atoll Wake Island Guam and Manila all of which were refueling stops for these Pan Am flying clippers were targeted and bombed by the same Japanese forces that had devastated Pearl Harbor Stranded within the vast boundaries of the Pacific Ocean these civilian airlines were unexpectedly at risk of being captured or shot down by Japanese military The assault on Pearl Harbor removed any possibility for US military assistance and the attack of the refueling stations made it impossible for these airlines to refuel their depleting gas tanks Alone and unreachable Pan Am crews and their frightened passengers were left with no choice but to make their own way across the volatile Pacific Ocean where neither land air nor sea could promise safety and do their best to survive if they could *The China Quarterly* Congress for Cultural Freedom,University of London.
