Wings For The Fleet:

Wings for the Fleet George van Deurs,2016-08-15 The men who ventured into the air in the Navy's first frail aircraft were not only daring they had vision persistence and a nearly unlimited determination to convince the skeptics that their frail kite like structures could someday possess military value This is the story of their trials tragedies and triumphs They patched cooling systems with chewing gum they lived by crash repair and fly again but they succeeded in developing this new service into an effective arm of the fleet **Wings for the Fleet** first published in 1966 covers the fascinating details of those pioneering days from 1910 to the entry of the United States into World War I All of the heroic early birds are here with full accounts of their exploits Admiral van Deurs himself a naval aviator since the early 1920s has rendered a significant service by his careful preparation of this well balanced thoroughly illustrated historical account which comes complete with appendixes listing early naval aviators and the planes they flew Over one hundred photographs were selected from official and private sources to illustrate this book **Wings for the Fleet** ,1966 **Wings of the Fleet** Peter Freeman,2012-07-01 This book covers the relatively little documented period in US Navy and Marine Corps aviation between the wars from 1919 1941 which is widely regarded as the Golden Era when US Navy and Marine Corps aircraft carried some of the most striking schemes and markings ever seen Over 550 different aircraft model designations appeared during this period many numbering only a handful of aircraft but of those which went in to full scale production many were significant aircraft which contributed to the development of naval aviation worldwide With scores of full color profile and 4 view illustrations and some well selected representative contemporary photos the book covers aircraft development color schemes and markings in a chronological format presenting each aircraft type from its first entry into service until obsolescence with a cutoff date of 7 December 1941 the date that the United States of America entered World War Two allowing the reader to appreciate the gradual evolution of the many color schemes and markings both service and unit applied **Wings of the Fleet** W.A.
