Winning Rugby:

Coach Marco Botha, 2014-05-21 At 34 Heyneke Meyer was fired as head coach of a Super Rugby team for the second time But when on 19 May 2007 his Bulls side became the first South African team to capture the Super title the dark years at Loftus Versfeld were suddenly forgotten And Meyer was regarded as the coach among coaches Because it is there on the playing field that coaches and players are judged And yet the scoreboard never tells the full story of how people achieved success overnight In Meyer s case it was an arduous journey of more than seven years during which he defined and changed professional rugby This is leadership And leadership is what Coach is about people who have fundamentally changed a sport an industry a way of thinking and ultimately lives Marco Botha sat in conversation with some of South Africa s foremost sports leaders and interprets their diverse success stories in his narrative writing style From Meyer to Brendan Venter who helped turn Saracens into a super club and the Sharks into the 2013 Currie Cup champions As an international hockey player Sherylle Calder noticed something special about her own visual abilities and researched this together with Professor Tim Noakes The Eye Lady was instrumental in England 2003 and South Africa 2007 winning the Rugby World Cup and Ernie Els bagging his second British Open golf title in 2012 Former Springbok Sevens coach Paul Treu advanced rugby sevens as a world sport by regularly getting his team to tower above seemingly superior sides One innovation at a time Gary Kirsten and Paddy Upton guided the Indian national cricket team to glory with a leadership style that empowered players and developed them as human beings the new school of coaching With the same approach they helped the Proteas become the number one team in the world in all three formats of the game These remarkable leaders have made champions out of ordinary people And the reasons for this will certainly surprise you *When Teams Work* Mike Brent, Fiona Dent, Nigel Melville, 2022-07-04 Discover the secrets to high performing teams from the success stories of sport military and restaurants and what to do if your team isn t working Teams are everywhere At work we are part of many different teams the department team the sales team the planning team and the project team At play we join the football team the netball team the swimming team the bridge team and the dance team Socially we support teams watch teams and are served by teams in restaurants hotels shops and at events But how much do we really know about them what makes a successful team and why do teams fail Effective teamworking is a perennial issue there are so many difficulties and traps We have all worked in teams and seen these problems at first hand and have suffered from them This book will help you to identify the most common issues and give you and your team the tools to improve them and achieve better teamwork and performance get the best out of yourself and others and avoid the common pitfalls that prevent teams from being the best they can be We will look at how sports and business teams are developed and work as well as giving examples and learning lessons from specialist teams in the many different areas such as the military restaurants orchestra s aerobatics and many more These examples will be woven in throughout the book and lessons drawn about what we can learn for our own teams Developing high performance teams and

effective teamwork is a perennial issue for team leaders and team members alike Most of us work in teams yet few of us have the capacity to fully assimilate what it takes to resolve common issues such as conflict low engagement lack of purpose and accountability in teams This book is for team players team leaders and anyone who is setting up and supporting a team It sets out all that you need to know to create a successful team and how to fix it if things start to go wrong We think the combined experience of the authors and their direct experience of working with both sports and organisational teams is unique The combination of an academic perspective with a high level practical experience of coaching and leading high performance teams brings clarity and understanding to the concepts balanced with a pragmatic perspective on how to put these into practice The book draws together the combined experience of Nigel Melville as a High Performance sports coach and Chief Executive and Mike Brent as an academic author of several bestselling business books and specialist in team dynamics

Heyneke Meyer Marco Botha,2014-10-01 Brilliant advice and insights from Springbok coach Heyneke Meyer This ebook is drawn from Marco Botha s recently published book Coach At 34 Heyneke Meyer was fired as head coach of a Super Rugby team for the second time But when on 19 May 2007 his Bulls side became the first South African team to capture the Super title the dark years at Loftus Versfeld were suddenly forgotten And Meyer was regarded as the coach among coaches Because it is there on the playing field that coaches and players are judged And yet the scoreboard never tells the full story of how people achieved success overnight In Meyer s case it was an arduous journey of more than seven years during which he defined and changed professional rugby This is leadership And leadership is what Heyneke Meyer is about someone who has fundamentally changed a sport an industry a way of thinking and ultimately lives Marco Botha specialist reporter at Die Burger in Cape Town sat in conversation with Heyneke Meyer and interpreted his success story in his engrossing narrative writing style

Rugby's Greatest Characters John Griffiths,2014-03-20 There s an old joke about rugby players and oddballs However there certainly have been quite a few of them playing rugby in the history of the game And not just oddballs there s been pitbulls quiet men iron men and unsung heroes And you can meet them all in this quirky collection of the famous and infamous of the game Characters include Wilfred Wooller who playing in the 30s was described as a juggernaut leaving a trail of prostrate figures in his wake Then there was Gordon Brown not the PM known as Broonie but also as the baby faced assassin when he first entered the Scottish team in 1696 Right up to Sir Clive Woodward who transformed the England side from amateur to professional a man who knew his own mind but didn t seem to sure about anyone else s Using extensive research author John Griffiths wins bonus points for a funny fascinating remarkable collection of the good the bad and the ugly of the scrums forwards fly halves flankers and dummy passers A great gift book for all rugby fans John Griffiths is the author of six books on rugby and for many years co edited Rothmans Rugby Yearbook and the IRB s Rugby Yearbook

Doctor to the World Champions Neil Phillips,2015-05-22 This book tells the story of a career spent in Sport and Medicine with the author eventually included in England s World Cup winning squad of 1966 Enjoy the incredible

story Rugger William Wavell Wakefield, Howard Marshall, 1930 Science and Application of High-Intensity Interval Training Laursen, Paul, Buchheit, Martin, 2019 The popularity of high intensity interval training HIIT which consists primarily of repeated bursts of high intensity exercise continues to soar because its effectiveness and efficiency have been proven in use by both elite athletes and general fitness enthusiasts Surprisingly few resources have attempted to explain both the science behind the HIIT movement and its sport specific application to athlete training That s why Science and Application of High Intensity Interval Training is a must have resource for sport coaches strength and conditioning professionals personal trainers and exercise physiologists as well as for researchers and sport scientists who study high intensity interval training

Absolutely Bleeding Green David Headon, 2019-11-05 There is no team that gives pleasure to the sporting public like the Canberra Raiders Bob Hawke former Prime Minister of Australia The Canberra Raiders spectacular grand final win against the Balmain Tigers in 1989 is widely regarded as Australian Rugby League s greatest ever decider For a fledgling club this was an extraordinary and unexpected achievement heralding a sequence of years that produced two more premierships and two near misses The Raiders trademark adventurous style of play was welcomed by all lovers of the game Attacking football was back in vogue David Headon tells the story of a unique football team that entered the Sydney competition in 1982 with little fanfare and plenty of pessimism despite the fact that league had been an integral part of communities across the Limestone Plains for nearly a century From this firm base the Raiders emerged to make their mark Absolutely Bleeding Green recounts the big wins and heart wrenching losses as it follows the players through their Raider careers revealing how the club was able to build exceptional team spirit even in difficult times It includes interviews with players past and present with coaches and administrators as well as with families and supporters who are so proud of the distinctive lime green jersey This terrific book tells the story of a unique club that changed my life forever just as the Raiders changed Rugby League forever Mal Meninga Rugby League Immortal Canberra Raiders Hall of Fame Dave Headon s history of the Canberra Raiders explores the club s origins why it was able to defy the odds and be so successful so quickly and how it fought its way through more troubled times In the process of the highs and lows a special culture of camaraderie was created The Raiders family has a big story and for me it s personal I m honoured to be a part of it Ricky Stuart Rugby League Legend Canberra Raiders Hall of Fame
