Winning Softball For Girls:

Winning Softball for Girls Mark Gola,2002 Presents a history of the game explanations of the rules of play and covers the fundamentals of hitting defense pitching baserunning strategy and conditioning Girls' Softball Heather E. Schwartz,2007 Describes softball the skills needed for it and ways to compete Provided by publisher Winning Softball for Girls Facts On File, Incorporated,2009 Reviews rules recommends conditioning exercises discusses positions and explains offensive and defensive strategies Winning Softball for Girls Ernest Hill,2017-06-28 Get in the swing of softball with this new full color guide The popularity of softball is undeniable An Olympic sport since 1996 it is one that can be enjoyed by players across a wide spectrum of ages and at any level of ability According to the Amateur Softball Association each year more than 1 2 million girls play fast pitch softball and more than 3 5 million players in total play the sport Winning Softball for Girls Second Edition is essential reading for anyone interested in learning to play softball and improve their game Girls Play to Win Softball Marty Gitlin,2011-07-01 Step to the plate and swing for the fences Softball has grown from a spontaneous game to serious business What began as an indoor ballgame is now one of the most popular women s sports Stars like Joan Joyce and Jennie Finch helped it get there Now players such as Cat Osterman and Monica Abbott are leading the charge Grab a ball bat and glove and get ready to join them The history the rules and the heroines these nonfiction accounts of women s sports relate the interesting insights of each sport including the rules game play and standout athletes Girls looking for role models as well as the hows and whys of their favorite game will find the answers in these fresh accessible titles Part history part biography and part instruction Girls Play to Win allows readers to access everything they want to know about the game More than an introduction this series takes what is likely an existing interest and allows the reader to delve deeper Content consultants are real world experts that include Olympic athletes and coaches Library Media Connection s Editor s Choice Girls Play Softball Amy B. Rogers,2016-07-15 Being on a softball team teaches girls the value of teamwork helps them become more confident and allows them to grow into healthy and active women Readers discover these and other important benefits of playing softball while also learning the basic rules of the game Informative main text is accompanied by eye catching fact boxes and a detailed graphic organizer Vivid photographs of softball players in action bring the excitement of the field to each page Readers also explore the inspiring stories of famous softball players and successful teams finding new role models as they learn about this popular sport **Encyclopedia of Recreation and Leisure in America** Gary S. Cross,2004 Discussed how Americans spend their free time and entertain themselves Essays present perspectives in the fields of American and cultural studies sociology recreation sports leisure studies auctions bloodsports shopping malls and theme parks The Beaver ,1924 Playing to Win Hilary Levey Friedman,2013-08-03 Many parents work more hours outside of the home and their lives are crowded with more obligations than ever before many children spend their evenings and weekends trying out for all star teams traveling to regional and national tournaments and eating dinner in the car while

being shuttled between activities In this vivid ethnography based on almost 200 interviews with parents children coaches and teachers Hilary Levey Friedman probes the increase in children s participation in activities outside of the home structured and monitored by their parents when family time is so scarce As the parental second shift continues to grow alongside it a second shift for children has emerged especially among the middle and upper middle classes which is suffused with competition rather than mere participation What motivates these particular parents to get their children involved in competitive activities Parents primary concern is their children s access to high quality educational credentials the biggest bottleneck standing in the way of or facilitating entry into membership in the upper middle class Competitive activities like sports and the arts are seen as the essential proving ground that will clear their children s paths to the Ivy League or other similar institutions by helping them to develop a competitive habitus This belief motivated both by reality and by perception and shaped by gender and class affects how parents envision their children s futures it also shapes the structure of children s daily lives what the children themselves think about their lives and the competitive landscapes of the activities themselves
