Winsome Destiny:

Winsome Destiny Markos Moschos,2005-10-01 On a storm swept night in a waterfront cafe as young Nicolas Megas waits for the boat to take him to Piraeus to join a freighter he falls madly in love with the beautiful Eleni On his further journeys his destiny speaks to him of riches and glory through a dolphin Years pass and Nicolas meets a young man who is his son with Eleni He re meets Eleni and then during a brutal storm Sacred Uncertainty Brian Yothers,2015-04-30 Yothers Sacred Uncertainty examines Melville s engagement with religious difference both within American culture and around the world It is impossible to understand Melville s wider engagement with religious and cultural questions however without understanding the fundamental tension between self and society self and others that underlies his work and that is manifested in particular in the way in which he interacts with other writers There is almost certainly no more concrete or reliable way to get at Melville s affirmations of and arguments with these interlocutors than in the markings and annotations that appear in his copies of many of their works so Yothers examines Melville s marginalia for clues to Melville s thinking about self other and difference Sacred Uncertainty provides a much needed exploration of Melville s encounter with and reflection upon religious difference **Destiny's Echo** Dale A.
