Designing and Creating a Winter Garden Sally Gregson,2022-05-16 To create a garden that gives pleasure throughout the year is the goal of every garden maker The greatest designers maintain that it is the garden in winter that sets the scene for the remainder of the year Designing and Creating a Winter Garden takes the reader through the process of designing a new garden from scratch or re working an existing garden with winter as the key formative season The first part of the book deals with design considerations and ideas including assessing the site and its opportunities and constraints designing the basic framework for winter making use of low winter light and using sparkling colour pots containers and statuary in the garden and finally the maintenance of the garden in winter The second part comprises a detailed catalogue of suggested plants and their uses grouped into evergreens winter flowering trees shrubs and perennials including those that are strongly scented shrubs with coloured and textured bark and finally unusual striking plants to use as focal points This book sets out to inspire both garden designers and enthusiastic gardeners to create a garden that is as captivating in winter as it is during the remainder of the year

**Backyard Winter Gardening** Caleb J. Warnock,2013 Misconceptions about winter gardening are everywhere that it s too difficult slow or even impossible But long before the convenience of grocery stores people in the 17th 18th and 19th centuries used fresh all natural winter gardening to keep fruits and vegetables on the table even during the coldest months of the year Feeding your family fresh food from your own backyard garden all winter long is far easier and less time consuming that you might imagine An you won t find better tasting food at any price
