National American Woman Suffrage Association Stanton sought to provide an updated commentary on the Bible that would highlight passages allowing for an interpretation of scripture harmonious with the cause of the women's rights movement. Inspired by activist and Quaker Lucretia Mott's use of Bible verses to dispel the arguments of bigots opposed to women's rights and abolition, Stanton hoped to establish a new way of framing the history and religious representation of women that could resist similar arguments that held up the Bible as precedent for the continued oppression of women. Starting with an interpretation of the Genesis story of Adam and Eve, Stanton attempts to show where men and women are treated as equals in the Bible, eventually working through both the Old and New Testaments. In its day, *The Woman's Bible* was a radically important revisioning of women's place in scripture that Stanton and her collaborators hoped would open the door for women to obtain the rights they had long been systematically denied. With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Cady Stanton's *The Woman's Bible* is a classic of American literature reimagined for modern readers.

Pursued - Women's Bible Study Leader Guide Jennifer Cowart, 2021-04-20 Discover how God is pursuing you as you explore. We all want to be loved. We long to be desired, pursued, whether by a special someone, our friends, or others in our lives. This longing for love and acceptance is the underlying story of many of our lives, and it's the overarching story we see throughout the Scriptures. Although the Bible tells many stories, the main theme is God's relentless love for us. In *Pursued*, a six-week Bible study by Jennifer Cowart, we will explore God's great love for us from Genesis to Revelation. We will see that God passionately pursues people who do not deserve His love, and we are those people. Like Cain, Abraham, Sarah, Rebekah, David, the woman caught in adultery, Peter, and so many others, we are the ones who have broken relationship with God. But He runs after us anyway to bring us home. In this study, we will explore God's love as evidenced in the stories of creation, the patriarchs, the judges, and prophets, Jesus, and the early church. Together, we will dive into a great love story and discover that it is our story. Through this study, women will see the big picture of God's love for them throughout the Scriptures. Discover that God wants a personal relationship with them. Experience God's relentless love for them individually. Realize that God never stops pursuing them. Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, and video sessions with six 25-minute segments with closed captioning.

Numbers - Women's Bible Study Participant Workbook Melissa Spoelstra, 2017-08-01 Something in us aches for more, more hope, more joy, more freedom. All around us, people are dancing to the steps of bigger, better, and faster, and we can easily join in without even realizing it. Before long,
