Women And Jesus:

What Jesus Learned from Women James F. McGrath, 2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels On the one hand Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him male or female On the other hand women have been treated as less than fully human their names omitted from stories and their voices and influence on Jesus neglected When we ask the question this book does what Jesus learned from women puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience James McGrath makes the stories of women in the New Testament come alive and sheds fresh light on the figure of Jesus as well This book is a must read for scholars students and anyone else interested in Jesus and or in the role of ancient women in the context of their times *Mary* Tim Sawyer, 2018-01-30 This book on Mary is a Bible study guide about the impact Jesus had on the women he encountered or mentioned The birth of Jesus Christ touched his mother Mary and a few other women Jesus influenced others during his ministry and others were with him at his death The material in this book provides a total of 50 daily segments which could take seven weeks to cover Each section contains a story which is a summary of the encounter The central scripture passage provides a fuller presentation of each meeting From that scripture passage one verse was selected to help you consider a related situation in your life Finally you have a statement or question to reflect on This reflection might be a discussion question or a circumstance that has affected your life The author's goal is that in some way you might improve your personal relationship with God Listen to what God is saying Let the Bible verses impact you You may read this as a type of individual Bible study In that case the reflection section might give food for thought to help you deal with your own private issues If you are blessed to do a group Bible study you can progress more quickly in your life of faith Group discussions help you to achieve growth in your life Other people may bring out ideas that you might never think of by yourself God puts people in your life to encourage you Their impact may help you with changes you may wish to make Also you could be just the very person that God uses to help others *The Women in Jesus' Life* Mindy Ferguson, 2010-06-19 A six week study of the women Jesus encountered during His life and ministry Jesus felt the pain of those who grieved spoke to the unacceptable healed the sick extended grace to the sinner made the crippled whole Through this study you ll experience the compassionate and merciful nature of our Savior *Certain Women Called by Christ* Paige Lanier Chargois, 2008 Including profiles of biblical women and contemporary Christ followers Certain Women offers confidence and assurance to women Through a thorough examination of Scripture you ll be challenged like the certain women who walked with Jesus to be trimmed of excesses to be whole and not self limiting to have an intergenerational ministry and to manage your household well as you come to know the power of the Lord and set your objective on glorifying Him A Woman Jesus Can Teach Alice Mathews, 2013-07-10 Discipleship is more than learning a routine It's an invitation

to a relationship of love and trust allowing Jesus to do for you what you can never do for yourself A Woman Jesus Can Teach studies the lives of several women in the Gospels who were changed by an encounter with Christ Author Alice Mathews encourages you to see Jesus as a compassionate man who defied convention and took enormous risks to offer hope new life or a second chance to women In this large print book learn how to trust this Son of God align your priorities with Him and respond to His call

Women and the Genesis of Christianity Ben Witherington (III),1990-06-29 This book presents in as clear a way as possible the New Testament material dealing with women and their roles in the context of the movement Jesus began Dr Witherington begins by illustrating the roles of women in Judaism in the Hellenistic world and in the Roman Empire She goes on to show how Jesus broke significantly with convention in the way he viewed women and their roles offering as he did a wholly new conception of the legitimate rights of women in society An analysis follows of the apostle Paul s attitude toward women which shows how he agreed with and differed from the ideas of his contemporaries The concluding chapters discuss the evangelists whose selection and presentation of material with respect to women casts much light on the early Church s understanding of women and their roles This comprehensive survey which avoids slanting its material to serve a modern patriarchal or feminist bias comes to the exciting conclusion that we can see in the New Testament an attempt to reform the patriarchal orientation of the day
