Women And Work In Modern Britain:

Women and Work in Modern Britain Rosemary Crompton, 1997 The latest in the successful Oxford Modern Britain series *Women and Work in Modern Britain* provides a highly accessible introduction to this important topic Rosemary Crompton gives a full account of the recent changes in the structure of women's employment incorporating a comprehensive review of the theoretical concepts and arguments developed to explain them Discussing the pattern of women's paid employment from the standpoint of both constraint and individual choice the author begins by examining the variety of explanations offered to understand the situation of women in work in twentieth century Britain In subsequent chapters she discusses the nature and extent of women's employment in Britain today cross national comparisons of the differential structuring of women's employment women as employees and the impact on the lives of both women and men of the changing employment family interface and its implications for the wider structure of inequality and social polarization in Britain Clearly and engagingly written with useful chapter summaries highlighting key points and discussions *Women and Work in Modern Britain* will be essential reading for students and teachers alike

Women and Work Culture Krista Cowman, Louise Ainsley Jackson, 2005 By focusing on the experiences of British women between c 1850 and 1950 this collection highlights the ways in which the concept of gender operated as an organizing principle in the construction and negotiation of identities and practices in British society

Women's Work in Britain and France Abigail Gregory, Jan Windebank, 2000-01-27 *Women's Work in Britain and France* is a ground breaking retheorization of what constitutes progress in gender relations The book shows that French women although having more full time and continuous careers and greater social policy support retain as great a responsibility for unpaid domestic and caring work as their British counterparts It replaces the conventional focus upon encouraging women's increased insertion into employment as the principal strategy for achieving progress in gender relations with a new focus on changing men's work patterns

NGOs in Contemporary Britain N. Crowson, M. Hilton, J. McKay, 2009-04-22 Examining the history of social movements and non state socio political action this volume shows how Non Governmental Organisations NGOs have proliferated in Britain since 1945 and how they have raised new political agendas revived associational life and arguably re politicized generations disillusioned with the politics of the ballot box

Women in Britain Since 1945 Jane E. Lewis, 1992 Valoracion de la posicion de la mujer en la sociedad britanica desde 1945 Los avances conseguidos siguen siendo fragiles y relativos Se exploran las diferentes areas de interes Las prevalecedoras actitudes frente al papel de la mujer en la familia y el posible impacto de estas actitudes en la politica social las mujeres y el trabajo pagado o no pagado las mujeres y el comportamiento sexual junto con las nuevas consideraciones sobre la permisividad de los 60 y finalmente el trato diferente que reciben las mujeres del estado del bienestar

Women, Work, and Wages in England, 1600-1850 Penelope Lane, Neil Raven, K. D. M. Snell, 2004 The work of women is recognised as having been fundamental to the industrialization of Britain These studies explore how that work was remunerated in studies

that range across time region and occupation Topics include the changing nature of women s work customary norms and women and the East India Company Forthcoming Books Rose Army,1998-04 **Key Issues in Women's Work: Female Heterogeneity and the Polarisation of Women's Employment** Catherine Hakim,1996-01-01 Dr Hakim tests the power of patriarchy theory against economic and psychophysiology theories Sex discrimination part time work flexible hours homeworking marriage and career patterns labour mobility labour turnover and the impact of the European Union are all considered Analysis of the grand sweep of history over the last century based on large national surveys is complemented by case studies of people working in occupations undergoing change and their resistance to it Throughout the book comparisons are drawn between Britain the USA and other European countries and also China Japan and other Far Eastern societies The analysis draws on sociology economics psychology labour law history and anthropology to conclude that female heterogeneity is increasing explaining the growing polarisation of women s employment and many contradictory research results Young Adult Women, Work and Family Maureen Padfield,Ian Procter,2014-01-14 This text is an exploration of the interplay between employment and domestic relations within a specific group of young women which includes single working women without children and working mothers It is based on actual experiences as related in interviews and uses longitudinal data to chart the experience of young adult women living a contradiction between work and family The text also employs social theory to interpret interview data showing the interdependence of young women as active agents and the constraints and opportunities of the social structure The main conclusion is that the social structuring of women as primarily mothers who also work is falling away but that it is left to individuals to work their way through the contradictory system facing them

Social Mobility and Class Structure in Modern Britain John H. Goldthorpe,Catriona Llewellyn,Clive Payne,1987 The second edition of this classic study includes an analysis of recent trends in intergenerational mobility the class mobility of women and social mobility in modern Britain **Cumulated Index to the Books** ,1999 **Women, Work, and Technology** University of Connecticut. Project on Women and Technology,1987 Examines the ideological social and economic forces that together with technology influence the lives of women **Understanding Inequalities** Lucinda Platt,2011-08-08 Bringing together the latest empirical evidence with a discussion of sociological debates surrounding inequality this book explores a broad range of inequalities in people s lives As well as treating the core sociological topics of class ethnicity and gender it examines how inequalities are experienced across a variety of settings including education health geography and housing income and wealth and how they cumulate across the life course Richly illustrated with graphs and figures showing the extent of inequalities and the differences between social groups the book demonstrates how people s lives are structured by inequalities across multiple dimensions of their lives Throughout the text pays attention to how we know what we know about inequality what is measured and how what is left out of the picture and what implications this has for our understanding of specific inequalities Importantly the book also highlights the intersections between different sources

or forms of inequality and the ways that bringing an intersectional lens to bear on topics can highlight and challenge the assumptions about how they operate Designed for second year undergraduates and above this book provides an engaging overview of social stratification and challenges readers to think about how inequalities are embedded across society
