Women In History:

Re-presenting the Past Ann-Marie Gallagher, Cathy Lubelska, Louise Ryan, 2014-06-11 Feminist history continues to change the way history is written and in doing so changes our view of the past The authors of this collection explore how issues of sexuality class nationalism and colonialism informed the ways in which women were represented and continue to be represented in history They show the ways in which women have been excluded silenced and misrepresented in stories of the past and how women s lives have been distorted or simplified in conventional historical accounts Together they suggest fresh ways of approaching women s history and use examples of work in new areas of research such as women s health and leisure in order to demonstrate the effectiveness of the various methodologies being proposed

U.S. Women's History Leslie Brown, Jacqueline Castledine, Anne Valk, 2017-01-25 In the 1970s feminist slogans proclaimed Sisterhood is powerful and women s historians searched through the historical archives to recover stories of solidarity and sisterhood However as feminist scholars have started taking a more intersectional approach acknowledging that no woman is simply defined by her gender and that affiliations like race class and sexual identity are often equally powerful women s historians have begun to offer more varied and nuanced narratives The ten original essays in U S Women s History represent a cross section of current research in the field Including work from both emerging and established scholars this collection employs innovative approaches to study both the causes that have united American women and the conflicts that have divided them Some essays uncover little known aspects of women s history while others offer a fresh take on familiar events and figures from Rosa Parks to Take Back the Night marches Spanning the antebellum era to the present day these essays vividly convey the long histories and ongoing relevance of topics ranging from women s immigration to incarceration from acts of cross dressing to the activism of feminist mothers This volume thus not only untangles the threads of the sisterhood mythos it weaves them into a multi textured and multi hued tapestry that reflects the breadth and diversity of U S women s history

Women's History in Global Perspective Bonnie G. Smith, 2004 The American Historical Association s Committee on Women Historians commissioned some of the pioneering figures in women s history to prepare essays in their respective areas of expertise These volumes the second and third in a series of three complete their collected efforts The first volume of the series dealt with the broad themes necessary to understanding women s history around the world As a counterpoint volume 2 is concerned with issues that have shaped the history of women in particular places and during particular eras It examines women in ancient civilizations including women in China Japan and Korea women and gender in South and South East Asia Medieval women women and gender in Colonial Latin America and the history of women in the US to 1865 Authors included are Sarah Hughes and Brady Hughes Susan Mann Barbara N Ramusack Judith M Bennett Ann Twinam and Kathleen Brown As with volume 2 volume 3 also discusses current trends in gender and women s history from a regional perspective It includes essays on sub Saharan Africa the Middle East early and modern Europe Russian and the Soviet Union Latin

American and North America after 1865 Asuncion Lavrin Ellen Dubois and Judith P Zinsser writing with Bonnie S Anderson Incorporating essays from top scholars ranging over an abundance of regions dates and methodologies the three volumes of Women s History in Global Perspective constitute an invaluable resource for anyone interested in a comprehensive overview on the latest in feminist scholarship Bonnie G Smith is the Board of Governors Professor of History and director of the Institute for Research on Women at Rutgers University She is the author of Confessions of a Concierge Madame Lucie s History of Twentieth Century France and many other books

A History of Women in 101 Objects Annabelle Hirsch,2023-10-12 A WATERSTONES BEST BOOK OF 2023 This is a neglected history Not a sweeping definitive exhaustive history of the world but something quieter more intimate and particular A journey picked out in 101 objects through the fascinating too often overlooked manifold histories of women Open up this cabinet of curiosities and you ll find objects that have been highly esteemed and others that are humble and domestic Some like a sixteenth century glass dildo are objects of female pleasure some a thumbscrew of female subjugation There are artefacts of women celebrated by history and of women unfairly forgotten by it examples of female rebellion and of self revelation objects that are inspiring curious or like radium laced chocolate just fundamentally ill conceived In this compendium Annabelle Hirsch reveals a new history teeming unexpected witty and always illuminating

Writing Women's History Since the Renaissance Mary Spongberg,2017-03-08 The complaint of Catherine Morland in Jane Austen s Northanger Abbey that history has hardly any women at all is not an uncommon one Yet there is evidence to suggest that women have engaged in historical writing since ancient times This study traces the history of women s historical writing reclaiming the lives of individual women historians recovering women s historical writings from the past and focusing on how gender has shaped the genre of history Mary Spongberg brings together for the first time an extensive survey of the progress of women s historical writing from the Renaissance to the present demonstrating the continuities between women s historical writings in the past and the development of a distinctly woman centred historiography Writing Women s History since the Renaissance also examines the relationship between women s history and the development of feminist consciousness suggesting that the study of history has alerted women to their unequal status and enabled them to use history to achieve women s rights Whether feminist or anti feminist women who have had their historical writings published have served as role models for women seeking a voice in the public sphere and have been instrumental in encouraging the growth of a feminist discourse

The Women's History of the World Rosalind Miles,1989 Women in World History Bonnie G. Smith,2020 Women in World History brings together the most recent scholarship in women s and world history in a single volume covering the period from 1450 to the present enabling readers to understand women s relationship to world developments over the past five hundred years Women have served the world as unfree people often forced to migrate as slaves trafficked sex workers and indentured laborers working off debts Diseases have migrated through women s bodies and women themselves have deliberately spread religious belief and fervor as well as

ideas They have been global authors soldiers and astronauts encircling the globe and moving far beyond it They have written classics in political and social thought and crafted literary and artistic works alongside others who were revolutionaries and reform minded activists Historical scholarship has shown that there is virtually no part of the world where women s presence is not manifest whether in archives oral testimonials personal papers the material record evidence of disease and famine myth and religious teachings and myriad other forms of documentation As these studies mount the idea of surveying women s past on a global basis becomes daunting This book aims to redress this situation and offer a synthetic world history of women in modern times

Encyclopedia of Women's History in America Kathryn Cullen-DuPont,2014-05-14 A collection of biographical information about outstanding women in American history

The Majority Finds Its Past Gerda Lerner,2014-03-30 Lauded for its contribution to the theory and conceptualization of the field of women s history and for its sensitivity to the differences of class ethnicity race and culture among women *The Majority Finds Its Past* became a classic volume in women s history following its publication in 1979 This edition includes a foreword by Linda K Kerber introducing a new generation of readers to Gerda Lerner s considerable body of work and highlighting the importance of the essays in this collection to the development of the field that Lerner helped establish

U.S. Women's History Leslie Brown,Jacqueline Castledine,Anne Valk,2017-01-25 In the 1970s feminist slogans proclaimed Sisterhood is powerful and women s historians searched through the historical archives to recover stories of solidarity and sisterhood However as feminist scholars have started taking a more intersectional approach acknowledging that no woman is simply defined by her gender and that affiliations like race class and sexual identity are often equally powerful women s historians have begun to offer more varied and nuanced narratives The ten original essays in *U S Women s History* represent a cross section of current research in the field Including work from both emerging and established scholars this collection employs innovative approaches to study both the causes that have united American women and the conflicts that have divided them Some essays uncover little known aspects of women s history while others offer a fresh take on familiar events and figures from Rosa Parks to Take Back the Night marches Spanning the antebellum era to the present day these essays vividly convey the long histories and ongoing relevance of topics ranging from women s immigration to incarceration from acts of cross dressing to the activism of feminist mothers This volume thus not only untangles the threads of the sisterhood mythos it weaves them into a multi textured and multi hued tapestry that reflects the breadth and diversity of U S women s history

A History of Women's Education in the United States Thomas Woody,1929

The Women's History of the Modern World Rosalind Miles,2021-02-02 An energetic and enthusiastic survey of feminist boundary pushing Readers will delight in this rebel rousing read Publishers Weekly The internationally bestselling author of *Who Cooked the Last Supper* presents a wickedly witty and very current history of the extraordinary female rebels reactionaries and trailblazers who left their mark on history from the French Revolution up to the present day Now is the time for a new women s history for the famous infamous and unsung women to

get their due from the Enlightenment to the MeToo movement Recording the important milestones in the birth of the modern feminist movement and the rise of women into greater social economic and political power Miles takes us through a colorful pageant of astonishing women from heads of state like Empress Cixi Eugenia Charles Indira Gandhi Jacinda Ardern and Ellen Johnson Sirleaf to political rainmakers Kate Sheppard Carrie Chapman Catt Anna Stout Dorothy Height Shirley Chisholm Winnie Mandela STEM powerhouses Jocelyn Bell Burnell Rosalind Franklin Sophia Kovalevskaya Marie Curie and Ada Lovelace revolutionaries Olympe de Gouges Harriet Tubman Sojourner Truth Patyegarang and writer intellectuals Mary Wollstonecraft Simon de Beauvoir Elaine Morgan and Germaine Greer Women in the arts women in sports women in business women in religion women in politics this is a one stop roundup of the tremendous progress women have made in the modern era A testimony to how women have persisted and excelled this is a smart and stylish popular history for all readers Herstory with a dash of sarcasm and a wide global and chronological reach Kirkus Reviews [1001 Things Everyone Should Know about Women's History](#) Constance Jones,2000-02-01 From Chinese foot binding to hot pants Clara Barton to rock and roll singer Courtney Love a scrapbook of women s history contains concise articles about major and minor females along with photographs and trivia *American Women's History* Susan Ware,2015-02-15 What does American history look like with women at the center of the story From Pocahontas to military women serving in the Iraqi war this Very Short Introduction chronicles the contributions that women have made to the American experience from a multicultural perspective that emphasizes how gender shapes women s and men s lives **Puerto Rican Women's History** Felix V. Matos-Rodriguez,Linda C. Delgado,1998-07-21 A broad survey of topics on gender and the history of Puerto Rican women both on the island and in the diaspora Organized chronologically and covering the nineteenth and twentieth centuries essays deal with issues of slavery emancipation wage work women and politics women s suffrage industrialization migration and Puerto Rican women in New York Reviewing thirty years of historiographical material the editors and contributors provide the first comprehensive study in English of gender and the history of Puerto Rican women It will be of interest to students and scholars of Latin American studies Latino a studies Puerto Rican studies women s studies ethnic studies and cultural studies [Inventing the American Woman](#) Glenda Riley,1987 This book presents an introduction to the history of women in the United States that combines factual knowledge with a specific thesis intended to provoke discussion and further thought It is my hope that it will inform enlighten and expand the thinking of all who read it In an attempt to achieve these goals this book necessarily emphasizes what historian Kathryn Kish Sklar terms gender specific experiences It focuses on those historical episodes that are more germane to one gender than the other Specifically women s work socialization roles activities and cultural values are of primary concern More specifically this volume compares the model that was to direct American women s behavior with women s reactions to it From the introduction **Writing Women's History Since the Renaissance** Mary Spongberg,2003-01-18 Writing Women s History since the Renaissance is the first comprehensive history

of women's historical writing since the 16th century focusing particularly on the impact of feminism on history and the development of a distinctly woman-centered historiography. The book surveys the ways in which women participated in the ostensibly masculinist discipline of history before the rise of Women's Liberation, the development of women's history in the 1970s, debates within feminist historiography, and the development of specific fields of women's history, as well as the emergence of gender as a category of historical analysis.

American Women's History Doris Weatherford, 1994. Among the women profiled in *American Women's History* are Grace Abbott, noted for her tireless work on behalf of children and immigrants; Susan B. Anthony; and Sojourner Truth.

A Concise Women's History Mari Jo Buhle, Teresa Murphy, Jane Gerhard, 2014-04-10. Explores the history of women and gender in the U.S. A Concise Women's History 1 e explores the dynamics of power in the U.S. between women and men and among women themselves. This history spans from the first cultural contact between indigenous peoples and Europeans in the 15th century to the new globalism of the 21st century. Because it recognizes diversity as a central factor in the history of women and gender, this title explores the lives of a broad spectrum of women. Chapters explore how relationships among women were determined by differences of race, ethnicity, class, age, region, or religion.

Reshaping Women's History Julie A. Gallagher, Barbara Winslow, 2018-09-25. Award-winning women scholars from nontraditional backgrounds have often negotiated an academic track that leads through figurative and sometimes literal minefields. Their life stories offer inspiration but also describe heartrending struggles and daunting obstacles. *Reshaping Women's History* presents autobiographical essays by eighteen accomplished scholar-activists who persevered through poverty or abuse, medical malpractice, or family disownment, civil war, or genocide. As they illuminate their own unique circumstances, the authors also address issues all too familiar to women in the academy: financial instability, the need for mentors, explaining gaps in resumes caused by outside events, and coping with gendered family demands, biases, and expectations. Eye-opening and candid, *Reshaping Women's History* shows how adversity and the triumph over it enriches scholarship and spurs extraordinary efforts to affect social change.

Contributors: Frances L. Buss, Nupur Chaudhuri, Lisa DiCaprio, Julie R. Enszer, Catherine Fosl, Midori Green, La Shonda Mims, Stephanie Moore, Grey Osterud, Barbara Ransby, Linda Reese, Annette Rodriguez, Linda Rupert, Kathleen Sheldon, Donna Sinclair, Rickie Solinger, Pamela Stewart, Waaseyaa sin, Christine Sy, and Ann Marie Wilson.
