**A Guide to Manga, Anime and Video Game Cosplay** Holly Swinyard, 2022-03-18 Do you find yourself sat at home wishing you could be in your favorite video game Or dream of a time when you pretended you were Sailor Moon

Or do you want to embody your Dungeons and Dragons character for real What's holding you back Maybe you need to be introduced to cosplay Cosplay is a phenomenon that is taking over the world If you haven't seen it yet have you not been looking at social media Cosplay is a mix of exciting craft skills heady escapism and passion for pop culture that lets you be whoever you want whenever you want Cosplay has made its way into TV shows and documentaries been included as part of film premieres and video game launches it's even referenced in the comics manga and media it comes from Talk about meta But what is this super popular hobby Well pick up this book and its twin *A Guide to Movie and TV Cosplay* to get all the answers Because it's more than just dressing up promise With a little bit of help from this handy dandy guide to cosplay you can get stuck in Learn about the history of the hobby it's been around longer than you'd think where it came from and how it got to be the way it is now get your head around making and designing costumes find out how about all the amazing skills people are using to make these costumes and perhaps even try a few yourself Who knows you might be rocking out as Astro Boy Chris Redfield or All Might at the next big comic con So why not give it a try and play make believe for a day *Stop the World I Want to Get Off!* Jodie Clarke, 2025-01-21 Burnout is not yet a diagnosable condition however it is a mental health crisis The NAS defines it as a state of physical and mental fatigue heightened stress and diminished capacity to manage life skills sensory input and or social interactions which comes from years of being severely overtaxed by the strain of trying to live up to demands that are out of sync with our needs Raymaker 2020 *The Autistic Advocate* Kieran Rose describes the common autistic experience a low level burnout where your day just living talking to people being assaulted by senses exhausts you to the point where you can only collapse in a heap at the end of the day or at the end of the week depending on your constitution However he distinguishes this from full scale burnout which he describes as the shutting down of mind and body If you've ever had a problem with a computer and it's had to go into safe mode that would describe what happens to the brain it runs on limited function not all services are available So often the signs of the former daily weekly cyclic burnout are there and although many would view this as a child coping or managing the school day it is unsustainable and not conducive to their mental or physical health and will ultimately need to the complete burnout Rose identifies Many autistic children are completely unable to manage parties at weekends play dates after school family outings holidays even not necessarily because of their general autistic needs but because they are so heightened by exhaustion and so much in need of downtime recharge time Every single day in school is so draining that all time out of school is needed to lift the lid on their emotions reregulate recharge and hibernate away from the world This is a lost childhood These are the children whose parents felt that during lockdown they got their child back and saw their child smile or laugh again That's not ok This is not an ok way for a child to live This is not thriving it is barely surviving These children end up in a constant state of high alert becoming like meerkats always on the look out for the next uncomfortable feeling bodies flooded with cortisol This over prolonged periods of time causes trauma and leads to that full scale burnout the cumulative impact of being in an environment that is not

conducive to your neurology This book aims to help parents and professionals identify and take steps to prevent low level burnout erupting into longer term shutdown and provides advice and guidance to support recovery if shutdown has occurred
