*New Work, Transformational and Virtual Leadership* Marc Helmold, 2021-01-13 The increasing globalization the battle for talents and global trends are changing the work patterns in organisations around the globe Enterprises are working across country and cultural borders alongside complex supply and demand networks Global incidents such as the financial crisis in 2008 and the recent COVID 19 pandemic have forced global organizations to find innovative ways to continue to connect globally and maintain a competitive advantage Therefore innovative enterprises have established global and virtual organisations including members of the value chain on supply and demand side This book outlines these new work and leadership styles and agile organisations which are necessary to work virtually and globally It provides case studies and experiences from different global organizations in different industries and sectors with a focus on value adding processes and services

*Ambition Redefined* Kathryn Sollmann, 2018-10-09 This is the playbook for how to get flexibility in your career Molly Beck author Reach Out and founder of MessyBun.com Critical advice for women when the traditional office job doesn't fit family life Meredith Bodgas Editor in Chief Working Mother magazine Sollmann advocates that we lean in to what she aptly labels one's own personal measure of success rather than a monolithic vision of the ideal career Whitney Johnson critically acclaimed author Build an A Team and Disrupt Yourself Thinkers50 Management Thinkers *Ambition Redefined* is a timely alternative to current women's business books that define professional ambition and success as climbing the corporate ladder In fact this is not a path that all women want or should feel pressured to follow Sollmann's focus is on the more critical and widespread workplace issue for everyday women to always work in a way that fits their lives alongside their two major caregiving roles for children and aging parents Sollmann debunks common assumptions such as IT'S NOT WORTH IT UNLESS THE SALARY IS HIGH Women forfeit up to 4X their salaries every year out of the workforce to care for children and or elderly parents and it does not take a six figure salary to achieve long term financial security FINDING FLEXIBLE WORK IS IMPOSSIBLE Sollmann shines a bright light on the ever widening world of flexwork where women can find many interesting and exciting ways to tuck all generations of their families into a future that is financially secure and safe The book includes realistic practical tools for preparing for and finding flexible work within a current job or a new opportunity IT WON'T HAPPEN TO ME Divorce death of a spouse or unexpected financial support for aging parents are some of the life you never knows that all women could experience Divorce death of a spouse caring for aging parents or adult children are some of the life you never knows that all women could experience Sollmann encourages women to anticipate and buffer life surprises and she shows the profound impact of continual earning saving and investing toward a long and comfortable retirement WORK ENDS AT AGE 65 Women who leave the workforce and want to return in their forties fifties or sixties will be in good company as the ranks of older workers rise Over the next two decades adults age 50 and over will have greater rates of workforce participation into their sixth and seventh decades Eye opening and practical the book shows that when we
