True Images Devotional Amber Rae,Paige Drygas,2006-01-19 A daily devotional explores Bible characters who display inner beauty and possess hearts that God finds lovely helping young girls see themselves the way God sees them as one of His beautiful daughters Original *Revelations of Christ* Paramhansa Yogananda,2007-05-22 This galvanizing book presenting the teachings of Christ from the experience and perspective of Paramhansa Yogananda one of the greatest spiritual masters of the twentieth century finally offers the fresh perspective on Christ s teachings for which the world has been waiting This book presents us with an opportunity to understand and apply the Scriptures in a more reliable way than any other by studying under those saints who have communed directly in deep ecstasy with Christ and God

South-Indian Images of Gods and Goddesses Hosakote Krishna Sastri,1916 **A Magnificent Faith** Bridget Heal,2017-07-25 A Magnificent Faith explains how and why Lutheranism a confession that derived its significance from the promulgation of God s Word became a visually magnificent faith a faith whose adherents sought to captivate Christians hearts and minds through seeing as well as through hearing Although Protestantism is no longer understood as an exclusively word based religion the paradigm of evangelical ambivalence towards images retains its power This is the first study to offer an account of the Reformation origins and subsequent flourishing of the Lutheran baroque of the rich visual culture that developed in parts of the Holy Roman Empire during the later seventeenth and early eighteenth centuries The volume opens with a discussion of the legacy of the Wittenberg Reformation Three sections then focus on the confessional devotional and magnificent image exploring turning points in Lutherans attitudes towards religious art Drawing on a wide variety of archival printed and visual sources from two of the Empire s most important Protestant territories Saxony the heartland of the Reformation and Brandenburg A Magnificent Faith shows the extent to which Lutheran culture was shaped

by territorial divisions It traces the development of a theologically grounded aesthetic and argues that images became prominent vehicles for the articulation of Lutheran identity not only amongst theologians but also amongst laymen and women By examining the role of images in the Lutheran tradition as it developed over the course of two centuries *A Magnificent Faith* offers a new understanding of the relationship between Protestantism and the visual arts Rubrics, Images and Indulgences in late Medieval Netherlandish Manuscripts Kathryn M. Rudy,2016-11-28 What role did images play in the mania for indulgences during the decades prior to the Protestant Reformation *Rubrics Images and Indulgences in Late Medieval Netherlandish Manuscripts* considers how indulgences the remission of time in Purgatory were used to market certain images Conversely images helped to spread indulgences such as those attached to the Virgin in sole and the Mass of St Gregory Images also began depicting the effects of indulgences souls escaping Purgatory Drawing on numerous unpublished sources Kathryn M Rudy demonstrates how rubrics modified behaviour and expectations around image centred devotion Her work is the first to analyse systematically the way that indulgences and images interacted indeed shaped each other prior to the Reformation *The ^AOxford Handbook of History and Material Culture* Ivan Gaskell,Sarah Anne Carter,2020-04-07 Most historians rely principally on written sources Yet there are other traces of the past available to historians the material things that people have chosen made and used This book examines how material culture can enhance historians understanding of the past both worldwide and across time Deploying material culture to discover the pasts of constituencies who have left few traces in written record the authors present familiar historical problems in new ways This volume offers case studies arranged thematically in six sections that address the relationship of history and material culture to cognition technology the symbolic social distinction and memory Sacred Images and Sacred Power in Byzantium Gary Vikan,2003 In these studies Gary Vikan has opened new perspectives on the daily life and material culture of Late Antiquity more specifically on icons and relics and on objects revealing of the world of pilgrimage the early cult of saints and marriage He contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley **Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles** Caroline Blyth,2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl

readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women s godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader
