Truth About Kent State:

Flashback Daryl Hall, 2019-10-18 On May 4 1970 the Ohio National Guard opened fire on Kent State University students protesting the U S invasion of Cambodia Four students were killed and nine more wounded This book was written in memory of and in tribute to the four slain students Shockingly an arm of the U S military had shot and killed young Americans on a college campus The shooting brought into high relief the massive rifts the Vietnam war was causing in the country This book begins when I m told about the shooting in my senior year of high school Committed to attending Kent State I invite the reader to come along with me and experience those four turbulent years While the integrity of the shooting aftermath constitutes the focus of the book I share parallel stories regarding the Vietnam war impeachment of the President Kent State s only football championship and music of the time The book was written to the best of my knowledge and research to chronicle how the events of four years influenced my life my generation and America Please Remember The 50th Memorial Anniversary of the Kent State Tragedy May 4 2020 [When Truth Mattered](#) Robert Giles, 2020-03-30 **The Truth about Kent State** Peter Davies, United Methodist Church (U.S.). Board of Church and Society, 1973 For many Americans the tragic events on the campus of Kent State University on May 4 1970 passed into history with Attorney General Mitchell s refusal to convene a federal grand jury to investigate the deaths of the four students But as this passionately and cogently argued book shows the Nixon Administration s non action is an outrage against justice as disturbing in its way as the shootings themselves The events of that day were recorded on film by various photographers When viewed in conjunction with the testimony of eyewitnesses this photographic record does much to bolster the view that the members of the Ohio National Guard were in no danger at the time of the shootings some guardsmen turned and fired in concert at the students on a pre arranged signal some guardsmen shot deliberately at predetermined targets not randomly into the crowd some guardsmen later conspired to fabricate their story of what happened and lied to the FBI In short as argued by Mr Davies it is time to reopen the official books on what one Ohio National Guardsman has called the four murders at Kent State Adapted from book jacket *The Truth about Kent State* Peter Davies, [Censored 2013](#) Mickey Huff, Andy Lee Roth, 2012-10-30 Every year since 1976 Project Censored our nation s oldest news monitoring group a university wide project at Sonoma State University founded by Carl Jensen directed for many years by Peter Phillips and now under the leadership of Mickey Huff has produced a Top 25 list of underreported news stories and a book Censored dedicated to the stories that ought to be top features on the nightly news but that are missing because of media bias and self censorship Seven Stories Press has been publishing this yearbook since 1994 featuring the top stories listed democratically in order of importance according to students faculty and a national panel of judges Each of the top stories is presented at length alongside updates from the investigative reporters who broke the stories Beyond the Top 25 stories additional chapters delve further into timely media topics The Censored News and Media Analysis section provides annual updates on Junk Food News and News Abuse Censored Deja Vu signs of hope in the
