Truth is Two-eyed John Arthur Thomas Robinson,1979 *God, the Good, and the Spiritual Turn in Epistemology* Roberto Di Ceglie,2022-08-18 An investigation showing that commitments to God and or the good generate the best possible condition to achieve knowledge **Social Work, White Supremacy, and Racial Justice** Laura S. Abrams,Sandra Edmonds Crewe,Alan J. Dettlaff,James Herbert Williams,2023 This volume offers an examination of the history of racism and White supremacy in the profession of social work current efforts to address and repair the harms caused by racism and White supremacy within the profession and forward thinking strategies for social work to be part of a broader societal movement to achieve an anti racist future *Aquinas on Faith, Reason, and Charity* Roberto Di Ceglie,2022-03-27 This book offers a new reading of Aquinas s views on faith The author argues that the theological nature of faith is crucial to Aquinas s thought and that it gives rise to a particular and otherwise incomprehensible relationship with reason The first part of the book examines various modern and contemporary accounts of the relationship between faith and reason in Aquinas s thought The author shows that these accounts are unconvincing because they exhibit what he calls a Lockean view of faith and reason which maintains that the relationship between faith and reason should be treated only by way of evidence In other words the Lockean view ignores the specific nature of the Christian faith and the equally specific way it needs to relate to reason The second part offers a comprehensive account of Aquinas s view of faith It focuses on the way the divine grace and charity shape the relationship between evidence and human will The final part of the book ties these ideas together to show how Christian faith with its specifically theological nature is perfectly compatible with rational debate It also argues that employing the specificity of faith may constitute the best way to promote autonomous and successful rational investigations Aquinas on Faith Reason and Charity will be of interest to scholars and advanced students working on Aquinas philosophy of religion Christian theology and medieval philosophy **Evenings with the Skeptics** John Owen,1881 **Evenings with the Skeptics.
