Winter Bear:

After the Mardi Gras R.S. Pierpoint, 2005-10-06 It takes many strands to braid a rope Each strand stands alone yet it is strongest as part of the whole After the Mardi Gras is woven from smaller pieces Three pieces What could have been what never could be and what should have been Part 1 Nazareth Twice Told The Drama s of Divorce Alcoholism College and Spirituality Then we visit a strange exotic city where a bizarre kidnap plan unfolds Part 2 The Dark is Always the Same A Sleeper on a Mountain talks to a Dark Spirit then the Clowns have a Picnic Part 3 Ratchethead An Ancient Mariner leaves his home in Portugal and sails into the heart of a Pre Tennessee Indian Maiden named Winter Bear All have one thing in common a Sinful Old City that sits on the banks of a Grand Murky River Bear County, Michigan John Counts, 2025-02-15 Following desperate characters in desperate circumstances in the rural Midwest In these colorful darkly comic stories veteran journalist and crime reporter John Counts takes readers to an often ignored part of the country a fictional Great Lakes coastal town in northern Michigan defined by beauty and bleakness The cast of characters in these connected stories ranges from addicts to backwoods misfits to ruined lumber families all bound together by their desire to obtain something just out of reach Big Frank breaks out of a rehab facility trying to outrun grief The women in the village of Brotherhood grapple with sterility resulting from an environmental calamity A local politician must convince her mother to leave a nudist colony And in the final sweeping story a splinter group from the local tribe attempts to reclaim its ancestral land by force The people of Bear County and their predicaments encompass the wildly original and yet totally ordinary truths about American life off the beaten track

The Tale of Tailey L.R. Slack, 2022-06-09 Tailey came from the humblest of beginnings His life had begun as a stray barn cat and though he was now the beloved companion and protector of a young deaf girl named Megan he still had no idea of how far afield his destiny would soon take him or how dangerous things would become Megan is under grievous threat from Ichneumon Possessor of Souls who seeks to erase her and the threat of her powerful unrealized magic from existence assuring his own continued supremacy on his home world of Katlyn But when a mysterious cat s eye stone whisks Tailey off to that other world under its blue sun and he finds himself in the midst of an epic battle between good and evil all he can think of is getting back to his little girl and keeping her safe With the help of the cats of Katlyn a wolf cub a small but magical creature called Nep and the enormous and wise Animond Yahmond Yah he searches for a way back home even as Katlyn is being torn asunder by the dark forces of Ichneumon on one side and the ancient evil of the ebony sword on the other As peace unravels and blood is shed on all sides ancient enemies will come together forging new bonds of trust and working together to stand against the darkness But amidst such chaos and uncertainty how can one small gray cat ever hope to find his way home before it s too late *I Survived the Great Alaska Earthquake, 1964 (I Survived #23)* Lauren Tarshis, 2023-11-07 The Great Alaska Earthquake is the largest and most powerful recorded earthquake in US history Lauren Tarshis s story of one child surviving this terrifying natural disaster pounds with page turning action and heartwarming hope
