Winter Tides:

Winter's Tide Lisa Williams Kline, 2013-01-01 This is the story of Diana and Stephanie new stepsisters on a vacation at a ranch with Diana's mom and Stephanie's dad who are newlyweds. Diana has a mood disorder for which she takes medication. In her estimation Stephanie is just too perfect. But Stephanie has some secrets of her own. The girls band together to free two captive wolves an action that has unexpected and unintended consequences. Told in the alternating voices of Diana and Stephanie the book explores themes of family, friendship, mental health and nature. **Winter Tides** James P. Blaylock, 2012-06-18 Fifteen years ago on a deserted California beach Dave Quinn swam out into the winter ocean to save two drowning girls identical twin sisters. He was only able to save one. Now years later he meets Anne a struggling artist from Canada. He has no idea she is the child he saved so long ago. And he has no idea that Elinor the long dead sister he couldn't save has come with her. **REVIEWS** a singular American fabulist William Gibson This story of good and evil siblings examines how we all learn to live with who we are and does so through supple writing and a tense and carefully executed plot. Blaylock combines the supernatural with a deep understanding of contemporary California and human nature producing a book with appeal for both fantasy fans and readers of realistic fiction. Publishers Weekly Vivid descriptions and deft characterisations. **Winter Tides** exposes the underbelly of human nature. Library Journal One creepy, creepy book Blaylock will scare you to death with a minimum of splatter and maximum of tension Hitchcock style.
