Fire Mountain Norman Springer, 2026-03-10 Ever the same the noiseless entry the quietly spoken request for the lawyer Martin repressed a flash of irritation the little Japanese with his uncanny soft footedness and stereotyped address got upon his nerves However his orders were explicit Mr Smatt would see Dr Ichi without delay or preliminary whenever Dr Ichi favored the office with a visit It was already the third visit that day but orders were orders So Martin inclined his head toward the door of Smatt s private office The Japanese crossed the room He bowed to Martin as stately a bow as if Martin were also an honorable instead of a poor devil of a law clerk then noiselessly as he had entered the outer office Dr Ichi disappeared within Smatt s sanctum Martin turned to his window again But his bright day dream was fled and he could not conjure it back again The view was without charm His thoughts despite himself persisted in centering upon the dapper little figure now closeted with his employer The dandified Jap aroused Martin s interest What manner of client was this Dr Ichi Martin had not seen a single scrap of paper nor had Smatt dropped a single hint concerning the case
