Wolf In The Fold:

Wolf in the Fold Robert Bloch, Gene Roddenberry, 1967 *Clandestine Erotic Fiction in English 1800-1930* Peter Mendes, 2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800-1930. By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify. Using internal and external evidence an attempt is made to establish who were the printers, booksellers and publishers. English and Continental involved in this trade. The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics, house styles of the groups. Bibliographical descriptions follow a checklist of clandestine catalogues; these provide valuable evidence for dating, pricing and sales pitch and information on items of which no copies can now be traced. The work concludes with a series of appendices which provide significant external evidence and three indexes of themes, titles and names. Peter Mendes' original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H. S. Ashbee.
