Wolf Of The Kremlin:

The Wolf of the Kremlin Stuart Kahan,1989 All the Kremlin's Men Mikhail Zygar,2016-09-06 An extraordinary behind the scenes portrait of the court of Vladimir Putin the oligarchs that surround it and the many moods of modern Russia that reads like a real House of Cards Lev Lurie All the Kremlin s Men is a gripping narrative of an accidental king and a court out of control Based on an unprecedented series of interviews with Vladimir Putin s inner circle this book presents a radically different view of power and politics in Russia The image of Putin as a strongman is dissolved In its place is a weary figurehead buffeted if not controlled by the men who at once advise and deceive him The regional governors and bureaucratic leaders are immovable objects far more powerful in their fiefdoms than the president himself So are the gatekeepers those officials who guard the pathways to power on whom Putin depends as much as they rely on him The tenuous edifice is filled with all of the intrigue and plotting of a Medici court as enemies of the state are invented and wars begun to justify personal gains internal rivalries or one faction s biased advantage A bestseller in Russia All the Kremlin s Men is a shocking revisionist portrait of the Putin era and a dazzling reconstruction of the machinations of courtiers running riot
