How the era of digitalization creates alternative lifestyles** Lisa-Marie Wagner,2020-06-18 Bachelor Thesis from the year 2020 in the subject Business economics Business Management Corporate Governance grade 1 6 language English abstract In this paper the phenomenon of digital nomadism in permanent employment is presented In general digital nomads are characterized by their independence of location their employment in the digital space and common values Most of them are freelancers and entrepreneurs but also employees who are part of this movement want to leave the conservative concept of normal employment and break new ground First the changes in the business world and the emergence of digital nomadism were presented in this paper Due to a lack of literature guideline based expert interviews were conducted to gain insight into the opportunities and risks of the multi local lifestyle concept for employees and companies In addition the framework conditions for companies and digital nomads required by this work and life concept were examined and presented in detail Such a framework condition can mean for example the adaptation of processes and leadership There are also differences between completely remote companies and only partially remote companies which can lead to a split company structure In this context the similarities and differences between traditional telework and digital nomadism in permanent employment were also examined These are similar for example regarding the technical prerequisites that should be created in companies and the changed communication In addition there are challenges and opportunities that arise from the travel component and the nature of digital nomadism such as negatively impaired processes due to time differences or certain characteristics and experiences that digital nomads possess or experience that can be used positively in a professional context Thus this work not only serves a scientific purpose but also provides a practical framework for employing digital nomads in traditional companies [The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships](#) Susan McPherson,2021-03-23 Named a Best Business Book of 2021 by Soundview Magazine Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect

networking opportunity to come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson s own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom *The Lost Art of Connecting* is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way

Next-the New Generation Workplace Lingyun Li,Yuying Wang,2016 This project was to create coworking spaces that provide workers an innovative working environment based on the student design competition that was held by Steelcase Inc The designers aimed to create this coworking space with ideas of independence comfort simplicity and functionality incorporated with sustainable design A comfort and safe working environment can encourage members to share interests and collaborative opportunities Also a well designed work environment allowing workers explore their best energy and ideas for their work The literature review discussed the definition of coworking space the significance of coworking space and the methods to design coworking space The design concept and development of this project were based on the literature review and the education that the designers received in their design classes This project may provide some reference to people who also want to design coworking spaces in the future

The Memo Rachel Dodes,Lauren Mechling,2024-06-18 The perfect summer read a novel both quick and funny Airmail A total joyride of a novel The Memo is a funny fascinating exploration of love friendship ambition and what it truly means to live a good life I loved it J Courtney Sullivan New York Times bestselling author of Commencement Maine and Friends and Strangers If you could rewrite your life story would you dare That s the question at the heart of this funny sharp and propulsive debut novel about love life and a woman finding herself and what it means to be happy and successful Do you ever feel like your life doesn t measure up to everyone else s and wonder if you just didn t get the memo helping you make the right choices Jenny Green dreads her upcoming college reunion Once top of her class the thirty five year old finds herself stuck in a life that isn t the one she expected Her promising career has flamed out literally and her deadbeat boyfriend is cheating on her again All her friends seem to have it all figured it out enjoying glittering lives and careers that she can only envy from the sidelines Did she just not get the memo they all did As it turns out she didn t When she arrives at her alma mater for the festivities she receives a text from an unlisted number Jenny Green please collect your memo Somewhere on campus a discreet female led organization provides comprehensive memos to select students a set of instructions that are a blueprint for success The first

time around Jenny didn't receive hers. Now she's being given the second chance she wants an opportunity to relive her life and make all the right decisions this time around. But at what price? Smart, addictive, bittersweet, and ultimately triumphant. The Memo will enchant readers of *In Five Years* and *Cassandra in Reverse* as well as fans of Emma Straub and Maria Semple.

No Hard Feelings Genevieve Novak, 2022-04-01 Hungover, underpaid, and overwhelmed, this isn't where Penny expected to be as she reached her late twenties. A sharp, smart, and witty look at adulting, *Fleabag* meets *Sorrow and Bliss* with a splash of Dolly Alderton. *No Hard Feelings* is clever, funny, and surprisingly sweet, and Penny captured my heart. Toni Jordan: I exist on validation from emotionally unavailable men, biscuits, and cheap wine, and it's easier to get off with Max than a Tiny Teddy. Penny can't help but compare herself to her friends: Annie is about to become a senior associate at her law firm, Bec has just got engaged, Leo is dating everyone this side of the Yarra, and Penny is just waiting. Waiting for Max, her on-again-off-again boyfriend, to allow her to spend the night waiting for the promotion she was promised, waiting for her Valium to kick in, waiting for her real life to start. Out of excuses and sick of falling behind, Penny is determined to turn things around. She's going to make it work with Max, impress her tyrannical boss, quit seeing her useless therapist, remember to water her plants, and stop having panic attacks in the work toilets. But soon she's back to doomscrolling on Instagram, necking bottles of Aldi's finest sauvignon blanc, and criticising herself with renewed vigour and loathing. As her goals seem further away than ever, she has to wonder when bad habits feel so good, how do you trust what's right for you? Praise for *No Hard Feelings* Genevieve Novak will inevitably be compared to other authors, but the truth is she is herself and herself alone, and that's a good thing. Funny, biting, vulnerable, and unflinching, Novak's novel is like an ocean dip, a bit salty, very refreshing. Lauren Sams: Scaldingly funny and biting, real. *No Hard Feelings* deserves a warning label: danger, may induce binge reading. With her sly wit, Genevieve Novak's debut demonstrates a brilliant eye for observing the little things in life, which together can be the biggest things of all. Tori Haschka, author of *Grace Under Pressure*: *No Hard Feelings* is a gratifying, warm, and funny debut. Books Publishing: Novak has perfectly captured the self-doubt and total horror of having to be happy and functional in your twenties. It would have you crying into your chipped manicure if it wasn't so darn funny. Kimberley Allsopp, author of *Love and Other Puzzles*: *Startup Program Design: A Practical Guide for Creating Accelerators and Incubators at Any Organization* Paolo Lombardi, Adam Berk, 2022-06-28 Design and execute a powerful startup program that delivers value for all parties involved. Startup accelerators, Business incubators, Hackathons. These are the hallmarks of the innovation ecosystem development practices used to discover, launch, and scale the most forward-looking startups of the last decade. If you want to adopt these approaches to your own business but aren't sure how to implement them, now's the time to master the practices of today's most successful early-stage investors. In *Startup Program Design*, two seasoned veterans, deeply versed in startup engagement programs, provide you with the tools to introduce open innovation practices to your organization. While other books on innovation management tend to be conceptual at the expense of hands-on experience, *Startup Program Design* is a practical
