International Handbook on Ecotourism Roy Ballantyne, Jan Packer, 2013-01-01 Roy and Jan have assembled a timely snapshot of our current understanding of ecotourism both as a concept worthy of scientific inquiry and as an increasingly significant segment of global commerce and industry A terrific piece of work Sam Ham University of Idaho US In the 30 or so year since it became established in the tourism literature and in tourism practice ecotourism has attracted as many proponents as opponents This Handbook now brings together some of the leading scholars worldwide in this field to explore the current position of this form of tourism In doing so it offers serious critiques it explores meanings and paradoxes it offers best practices and it looks to the future It is the Handbook for one of tourism's fastest growing and controversial sectors David Airey University of Surrey UK This is a most welcome and needed book With a very strong editorial team and contributing authors the Handbook covers all the key issues of ecotourism It cuts through the confusion surrounding the much misunderstood concept of ecotourism clearly dealing with definitions concepts and research issues The Handbook is particularly welcome for its focus on the visitor experience a strength of the editors and for clearly linking the theory of ecotourism with practice in the field Christopher Cooper Oxford Brookes University UK This Handbook brings together contributions from over forty international experts in the field of ecotourism It provides a critical review and discussion of current issues and concepts it challenges readers to consider the boundaries of what ecotourism is and could be The Handbook provides practical information regarding the business of ecotourism insights into ecotourist behaviour and visitor experiences and reflections on the practice of ecotourism in a range of different contexts The Handbook is designed to be a

valuable reference book for tourism scholars and researchers *Handbook of Research on the Role of Tourism in Achieving Sustainable Development Goals* Brandão, Filipa, Breda, Zélia, Costa, Rui, Costa, Carlos, 2020-09-25 Tourism one of the world's leading industries has propelled countries into recovery from economic recession. As a multi-disciplinary, multi-sectoral, holistic and systemic industry, tourism is uniquely placed to address the concerns of the United Nations Sustainable Development Goals (SDGs). While the relationships between tourism sustainability and sustainable development are the subjects of deep study, the direct positive effects of tourism on SDGs remain underdiscussed. The *Handbook of Research on the Role of Tourism in Achieving Sustainable Development Goals* is a collection of innovative research that explores sustainable practices within the tourism industry. While highlighting a broad range of topics including economic growth, education and production patterns, this book is ideally designed for engineers, entrepreneurs, policymakers, executives, advocates, researchers, academicians and students.

Sustainability in the Hospitality Industry Willy Legrand, Philip Sloan, Joseph S. Chen, 2016-11-03 *Sustainability in the Hospitality Industry* Third Edition is the only book available to introduce students to economic, environmental and socially sustainable issues specifically facing the industry, as well as exploring ideas, solutions and strategies of how to manage operations in a sustainable way. Since the second edition of this book, there have been many important developments in this field, and this latest edition has been updated in the following ways: Updated content including sustainable food systems, hotel energy solutions, impacts of technology, water and food waste management, green hotel design, certification and ecolabelling systems, and the evolving nature of corporate social responsibility strategies. New chapters exploring environmental accounting and the internalization of externalities, as well as the management of accessibility in hospitality. Updated and new international case studies with reflective questions throughout to explore key issues and show real-life operational responses to sustainability within the hospitality industry. This accessible and comprehensive account of *Sustainability in the Hospitality Industry* is essential reading for all students and future managers in the hospitality industry.

A Research Agenda for Tourism and Development Richard Sharpley, David Harrison, 2019 Tourism is integral to local, regional and national development policies, as a major global economic sector, it has the potential to underpin economic growth and wider development. Yet transformations in both the nature of tourism and the dynamic environment within which it occurs give rise to new questions with regards to its developmental role. This *Research Agenda* offers a state-of-the-art review of the research into the tourism development nexus. Exploring issues including governance, policy, philanthropy, poverty reduction and tourism consumption, it identifies significant gaps in the literature and proposes new and sometimes provocative avenues for future research.
