Thematic Teaching of Women's Rights Issues with Social Studies Trade Books Jeremiah Clabough, Natalie Keefer, 2023-09-29 This edited volume presents a distinctive approach for exploring pedagogical frameworks methods and strategies for teaching thematically about women s rights using social studies trade books After an introductory chapter by Jeremiah Clabough that provides a compelling rationale for thematic teaching of women s rights issues and controversial topics Natalie Keefer and Tori Flint situate the remaining chapters within the context of theory and research on women s rights issues and include a discussion of implications and considerations for the role multiple literacies have in advancing women s rights in North America and beyond In subsequent chapters a diverse assemblage of respected scholars within the field of social studies education introduce important women who advanced women s human rights in the United States paired with a notable trade book about their life challenges and achievements Then chapter authors describe student centered pedagogies with inquiry based pedagogies aligned with the NCSS C3 Framework that teachers can implement with upper elementary and middle school students to seamlessly integrate literacy and social studies for the purpose of thematically teaching about women s rights

Connecting People to Their Oceans: Issues and Options for Effective Ocean Literacy Angel Borja, Francesca Santoro, Gail Scowcroft, Stephen Fletcher, Pierre Strosser, 2020-03-25 While there is growing evidence of the importance of marine ecosystems for our societies evidence shows also that pressures from human activities on these ecosystems are increasing putting the health of marine ecosystems at stake worldwide Hence Blue Economy is becoming an important component of future socio economic development strategies e g this is called Blue Growth in Europe that eventually can result in increasing pressures at sea and despite the current regulatory framework in particular with the Oceans Act in USA or Canada and the Marine Strategy Framework Directive in Europe it is likely that this situation will continue in the future Ensuring all those connected to the sea directly or indirectly gain a better understanding of the importance of the seas the human sea interactions and opportunities to act better and reduce impacts from human pressures is central to Ocean Literacy OL Receiving increasing attention in Europe and USA OL is a challenge for all parts of society educators 2 the role OL could play in interaction with innovation regulation economic incentive social norms to support human capital development as key component of sustainable growth and 3 pre conditions for effective OL for different sectors and target groups Questions relevant to OL include Which knowledge produced by whom to share and how Who to target and how to effectively reach those targeted How to design OL initiatives including by mobilizing those targeted via living lab approaches e g to ensure effective OL and pave the way for behavior change What are the knowledge gaps that limit our capacity to design effective OL As scientists it is likely you have many more questions to offer and discuss

Materials Hattie Hartman, Joe Jack Williams, 2024-03-01 The environmental impacts of construction are momentous How can architects minimise these by making responsible material choices Material choices have a global impact The design and

construction industry are responsible for 39% of all carbon emissions in the world Despite the great desire among architects to address this it can be difficult to compare materials directly let alone understand the repercussions of selecting materials for use in different parts of a building or of sourcing them from across the world Showcasing the latest thought leadership from subject experts across the industry this primer sets out the various considerations and parameters for specifying a particular material It empowers architects with the knowledge of which materials are available how best to use them and what their future holds as the industry continues to innovate Each chapter will be devoted to a single material and will consider environmental impacts holistically looking at health and biodiversity impacts among other issues Featuring Chapters written by subject experts including Duncan Baker Brown Carol Costello Graham Coult Barbara Jones Rowland Keable Bruce Martin Michael Stacey and Oliver Wilton Mainstream and burgeoning materials including aluminium bamboo brick concrete cork hemp mycelium plastics steel stone and timber Diagrams graphics and illustrated exemplars

Glimpsing Heaven Martin A. Lopez,2021-08-03 The author Martin A Lopez self is a late in life father who wondrously transformed when his children arrived in his life He changed from a compassionless pawn of the polluters oblivious consumer part of the throw away culture suffering from severe nature disconnect and blind to the environmental devastation happening to humanity Through his children he became filled with a mountainous emotional connection with them and ultimately to humanity and nature At the same time he became inspired to take action to fight for nature This journey of metamorphosis includes poems personal essays about nature and an analysis about solutions He candidly identifies the villains and saints destroying our children s future and gives us a moral and a scientific perspective He provides a poetic approach for our teachers to educate about the environmental disaster He further provides an understandable approach to saving our planet Glimpsing Heaven is an inspired father s unique portrait of parenthood eye opening love and the world s environmental challenges
