State Owned Multinationals

Christian Drosten

State Owned Multinationals:

State-Owned Multinationals Alvaro Cuervo-Cazurra, 2017-10-24 This book provides a deep understanding of state owned multinationals SOMNCs and their role in global business SOMNCs have emerged as a force to contend with in global competition and their study connects several fields such as economics political economy international business and global strategy This prestigious collection of articles presents insights into the interaction between government ownership and internationalization and aims to provoke new research approaches and insights on the topic The book includes some of the key contributions to our understanding of these firms and new commentaries explaining how to analyze them This book is essential reading for academics and consultants looking to gain a clearer understanding of SOMNCs and how to research them

State Owned Multinationals Jean-Pierre Anastassopoulos, Georges Blanc, Pierre Dussauge, 1987-12-14 Written as a result of a world wide study of major multinational state owned companies this book examines the extent of the state owned multinational phenomenon It identifies certain companies analyzes their origins and describes how and where they operate abroad

State-Owned Multinationals Alvaro Cuervo-Cazurra, 2018 This chapter introduces the content of the book State owned multinationals Governments in Global Business The book provides a deep understanding of state owned multinationals and their role in global business State owned multinationals have emerged as a force to contend with in global competition and their study connects several fields such as economics political economy international business and global strategy This prestigious collection of articles presents insights into the interaction between government ownership and internationalization and aims to provoke new research approaches and insights on the topic The book includes some of the key contributions to our understanding of these firms and provides new commentaries giving detailed explanations on how to analyze state owned multinationals with guidance for future studies Essential reading for researchers and consultants the book helps readers gain a deeper understanding of these firms and how to conduct research on them

State-Owned Multinationals Kalman Kalotay, 2019 Benefitting from the publication of a new data set by the United Nations Conference on Trade and Development UNCTAD in 2017 this article examines the main characteristics in the realm of state owned multinationals especially in terms of their geographical origin the target countries of outward investment and other main features of multinationals foreign direct investment FDI It finds that state owned multinationals continue to play an important role in the world economy Many of these multinationals are headquartered in emerging economies confirming the reliance of these economies on multinational firms for foreign expansion strategies There are also many state owned multinationals headquartered in developed economies The modalities of state intervention vary largely by country and firm Nevertheless in general state owned multinationals raise concerns about the non economic motivations of foreign expansion

Globalization Veronica Binda, Andrea Colli, 2024-04-11 Globalization A Key Idea for Business and Society analyzes today's process of global integration Globalization is seen as a complex phenomenon the drivers of which are of a technological

institutional cultural and not least political nature The book includes a historical analysis of the rise and fall of the first globalization wave which took place between the end of the Napoleonic Wars and the Great War The chapters focus on the measurement of the global integration process on the in depth analysis of the above mentioned drivers and on some of the actors playing a relevant role in the process itself multinational companies and governments as owners of global companies The conclusion of the book provides a perspective on the current globalization backlash its determinants and possible future alternative scenarios This book is an ideal resource for students and practitioners interested in past present and future globalization

Venture Capital and the Corporate Governance of Chinese Listed Companies Lin Zhang,2024-10-22 During the last ten years China has made remarkable progress in the development of its venture capital market however Chinese domestic venture capital has been marginalized by American competitors Using American venture capital as a mirror this book empirically demonstrates that Chinese domestic venture capital lacks the four factors related to the success of their American counterparts large and independent funding application of incentive mechanisms efficient exit channels and a high risk tolerance level More importantly the author shows how these defects are closely linked to the corporate governance of state controlled listed companies Featuring updated data and new developments since the publication of the first edition in 2012 with a focus on corporate social responsibility and the stakeholder oriented model in Chinese small and medium sized enterprises SMEs this new edition demonstrates the negative economic and social impact of corporate governance of Chinese state controlled listed companies and identifies potential policy reforms to harmonize agency costs and adaptive efficiency This book is great for researchers scholars students and policymakers interested in corporate governance of Chinese venture capital markets

Multinationals and Political Control John Robinson,1983 Monograph on the growing trend towards political control regulation of multinational enterprises esp In Western Europe covering economic and legal aspects discusses international agreements and the role of UN EC and OECD in response to trade union and other interest group pressure regarding access to information taxation monopoly employment security labour relations code of practice strategy etc
