State And Working Women:

The State and Working Women Mary Ruggie,2014-07-14 Mary Ruggie s controversial study of British and Swedish labor market anti discrimination and child care programs argues that gender based policy alone cannot substantially raise the economic status of women workers Rather policies for women must be developed within the context of more general economic and social policies Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *National and State Employment Service* United States. Congress. Senate. Committee on Commerce,1932 Corrected print Considers legislation to transfer U S Employment Service to DOL and to establish a Federal state cooperative employment services program

Women's Empowerment and Public Policy in the Arab Gulf States Rabia Naguib,2023-12-22 This open access book explores the various dimensions of women s empowerment in public policy in the Gulf Cooperation Council GCC region with a particular focus on Qatar comparing the country to the other Gulf states Through its rich compilation of empirical qualitative research the text unpacks the various ways in which women s empowerment materializes in the GCC context providing insights into public policy perspectives in high income rentier states more broadly The Arab world has long been part of the global dialogue on women s economic and political empowerment and the GCC has over the past decade situated women s empowerment amongst their respective national priorities and long term strategies In turn the Gulf has seen gradual implementation of policies aimed at women specifically in looking to attract and retain them in the labour market and in the public sector more broadly The collection surveys and evaluates the progress made in recent decades paying close attention to the cultural and policy constraints still limiting women s empowerment in the Gulf With a key linkage to SDG5 this book is a timely text addressing the context and drivers behind policies centering on women in the Arab region in its analysis of the interplay of international women s empowerment discourse and regional public policy decisions It is relevant to researchers and policy makers focused on women and gender issues in relation to social cultural economic and political empowerment in the Gulf specifically but also in the Arab world and beyond *Life and Labor* ,1912 **Women's Work in Special Period Cuba** Daliany Jerónimo Kersh,2019-02-14 The abrupt loss of Soviet financial support in 1989 resulted in the near collapse of the Cuban economy ushering in the almost two decades of austerity measures and severe shortages of food and basic consumer goods referred to as the Special Period Through the innovative framework of individual and collective memory Daliany Jerónimo Kersh brings together analysis of press sources and oral histories to offer a compelling portrait of how Cuban women cleverly combined various forms of paid work to make ends meet Disproportionately impacted by the

economic crisis given their role as primary caregivers and household managers and unable to survive on devalued state salaries alone women often employed informal and illegal earning strategies As she argues this regression into gendered work such as cooking sewing cleaning reselling and providing sexual services precipitated by the post Soviet crisis to a large extent marked a return to pre revolutionary gendered divisions of labor
