**Community College First-Year Composition Teacher** Meryl Siegal,Elizabeth Gilliland,2021-01-11 This volume is an inquiry into community college first year pedagogy and policy at a time when change has not only been called for but also mandated by state lawmakers who financially control public education It also acknowledges new policies that are eliminating developmental and remedial writing courses while keeping mind that for most community college students first year composition serves as the last course they will take in the English department toward their associate s degree This volume also serves as a call to action to change the way community colleges attend to faculty concerns Only by listening to teachers can the concerns discussed in the volume be addressed it is the teachers who see how societal changes intersect with campus policies and students lives on a daily basis Adapted from back cover Immortality Alan Feldman,2015-03-12 Alan
