Legal Study on China's Sovereignty over the Nansha Islands Cuibai Yang, Qianwen Zhang, 2020-12-01

This book analyzes and discusses the sovereignty of the Nansha Islands combining legal and historical perspectives traditional international law theories and empirical studies based on an extensive body of historical maps from around the globe to do so Ultimately the book argues that China has sovereignty over the Nansha Islands and the surrounding waters either on the basis of historical claims or modern realities In recent years the Nansha disputes have attracted considerable attention Far from being resolved they have instead become even more heated The only reasonable way to solve the problem as argued here is on the basis of relevant history and legislation Addressing this highly topical issue the book also provides an English speaking audience with access to essential content on the sovereignty history and legislation concerning the Nansha Islands
