

Statue De Freud

A. de Mijolla

Statue De Freud:

Sigmund Freud's Christian Unconscious Paul C. Vitz,1993 Vitz psychoanalyzes Freud's motivation to reject religion

The Dream of the Moving Statue Kenneth Gross,2019-01-24 The fantasy of a sculpture that moves speaks or responds a statue that comes to life as an oracle lover avenger mocker or monster few images are more familiar or seductive The living statue appears in ancient creation narratives the myths of Pygmalion and Don Juan lyric poetry from the Greek Anthology to Rilke and romantic fairy tales it is a recurrent theme in ballet and opera in philosophy psychoanalysis and film What does it mean for the statue that stands immobile in gallery or square to step down from its pedestal or speak out of its silence What is it in this fantasy that animates us Kenneth Gross explores the implications of fictive statues in biblical and romantic narrative in the poetry of Ovid Michelangelo Blake Rilke and Stevens in the drama of Shakespeare in the writings of Freud and Wittgenstein He also considers their place in the poetry of such contemporaries as Richard Howard and the films of Charlie Chaplin François Truffaut and Peter Greenaway In the motif of the moving statue we can see how the reciprocal ambitions of writing and sculpture play off each other often producing deeply paradoxical figures of life and voice Stories of the living statue point to the uncertain ways in which our desires fantasies and memories are bound to the realm of unliving objects Clarifying the sources of our fascination with real and imaginary statues this book asks us to reconsider some of our most basic assumptions about the uses of fantasy and fiction Eloquent and evocative *The Dream of the Moving Statue* will capture and hold a wide audience

Sigmund Freud Alistair Ross,2022-04-29 Sigmund Freud's name is known throughout the world He opened up the world of the unconscious so people can understand themselves so much better than before His unique ideas are discussed in academic circles His psychoanalytic techniques influenced mental health counselling psychotherapy and psychiatry His words form part of everyday language Lying on a couch and having dreams interpreted by an analyst is an iconic picture of modern life and popular culture *Sigmund Freud A Reference Guide to Her Life and Work* captures his eventful life his works and his legacy The volume features a chronology an introduction a comprehensive bibliography and the dictionary section lists entries on Freud his family friends and foes colleagues and the evolution of psychoanalysis

Reading Freud's Reading Sander L. Gilman,1994 Specialists from a wide range of areas from the history of medicine to literary scholarship to the history of classical scholarship spent two months working on questions raised by Freud's reading and his library at the Freud Museum in London Such internationally renowned scholars as Harold P Blum Ned Lukacher Phillip McCaffrey Robin N Mitchell Boyask Michael Molnar Ursula Reidel Schrewe Ritchie Robertson and Peter L Rudnytsky gather here to apply a wide range of critical approaches from depth psychoanalysis to cultural analysis Together they present a detailed look at the implications of how and what Freud read including the major sources he used for his work

The Case of Sigmund Freud Sander L. Gilman,1993 There is no category of supposed human beings that comes closer to the orangutan than does a Polish Jew said a Bavarian writer reflecting the eighteenth century view that Jews were

profoundly flawed The Jewish body popular opinion held was malformed from feet to nose and predisposed to a host of illnesses ranging from the plague to hysteria The Jewish soul had a peculiar stench The Jewish libido had a tendency toward incest The Jewish gaze was pathological and precluded the possibility of unbiased observation By the close of the nineteenth century these ideas had found their way into European medical journals and the medical establishment was convinced that Jews were both diseased and perverted It was an interesting time to be a Jewish physician In The Case of Sigmund Freud Sander Gilman traces the medicalization of Jewishness in the science and medicine of turn of the century Vienna and the ways in which Jewish physicians responded to the effort to incorporate this racist biological literature into medical practice Focusing on the new science of psychoanalysis Gilman looks at the strategic devices Sigmund Freud employed to detach himself from the stigma of being Jewish and shows how Freud's work in psychoanalysis evolved in response to the biological discourse of the time In order to circumvent the prevailing debates about race Gilman argues Freud carefully formulated the particular biological charges against the Jew into a universal definition of a human being As a consequence his early psychoanalytic theories transcended the controversies about biological determinism and yet remained framed by them

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Freud's Moses** Yosef Hayim Yerushalmi, 1993-01-01 Moses and Monotheism Freud's last major book and the only one specifically devoted to a Jewish theme has proved to be one of the most controversial and enigmatic works in the Freudian canon Among other things Freud claims in the book that Moses was an Egyptian that he derived the notion of monotheism from Egyptian concepts and that after he introduced monotheism to the Jews he was killed by them Since these historical and ethnographic assumptions have been generally rejected by biblical scholars anthropologists and historians of religion the book has increasingly been approached psychoanalytically as a psychological document of Freud's inner life of his allegedly unresolved Oedipal complex and ambivalence over his Jewish identity In Freud's Moses a distinguished historian of the Jews brings a new perspective to this puzzling work Yosef Hayim Yerushalmi argues that while attempts to psychoanalyze Freud's text may be potentially fruitful they must be preceded by a genuine effort to understand what Freud consciously wanted to convey to his readers Using both historical and philological analysis Yerushalmi offers new insights into Freud's intentions in writing Moses and Monotheism He presents the work as Freud's psychoanalytic history of the Jews Judaism and the Jewish psyche his attempt under the shadow of Nazism to discover what has made the Jews what they are In the process Yerushalmi's eloquent and sensitive exploration of Freud's last work provides a reappraisal of Freud's feelings toward anti-Semitism and the gentile world his ambivalence about psychoanalysis as a Jewish science his relationship to his father and above all a new appreciation of the depth and intensity of Freud's identity as a godless Jew

(Dis)Embodied Perception of the Self and Other - Interdisciplinary Perspectives from Science & Arts Anna Ciaunica, Vittorio Gallese, Hanne De Jaegher, Aikaterini (Katerina) Fotopoulou, Frank Röhrich, David Harris Smith, Tereza Stehlikova, 2022-01-28 **Freud's Sculpture** Jon

Wood, Michael Molnar, Ivan Ward, 2006 This exhibition and catalogue coincided with the 150th anniversary of Sigmund Freud's birth The Henry Moore Institute in association with the Freud Museum presents a unique opportunity to explore Freud's relationship with sculpture This exhibition catalogue containing numerous photographs of the present restaging in Leeds and of the study in London highlights their meaning both individually and as an ensemble Of the thousands of pieces he amassed he kept a small but changing group on his desk forming an audience of bronze wood and marble sculptures gathered from Egypt China Greece and Rome Wood writes of the striking sculptural encounters at stake here when this ever changing collection of sculpture is viewed close up and on the level in this study setting whilst Molnar analyses a 1914 etching of Freud in front of his collection and Ward looks at the relationships between body chair and desk The Jokes of Sigmund Freud Elliott Oring, 2007-04-16 Over the approximately 100 year course of the development of psychoanalytic theory from its Freudian foundations to its current fragmented state psychoanalytic theory has largely abandoned coherence and the inspiration to understand the human mind argues Rangell Far from suggesting that psychoanalysis be abandoned he instead traces the evolution of the various strands of psychoanalytic theory so that what is valuable can be extracted and included in a new effort to formulate a unitary theory Deadly Dr. Freud Paul Scagnelli, 1994 With undeniable passion and apparent seriousness of purpose clinical psychologist Scagnelli goes beyond theorizing that Freud harbored powerful death wishes towards various people to suggest the possibility likelihood that Freud occasionally actualized those impulses **Sparks of Laughter**, 1922 Psychopathology of everyday life Sigmund Freud, 1914 International Dictionary of Psychoanalysis A. de Mijolla, 2005 The history of psychoanalysis in 50 countries shows the relationship between psychoanalysis and other disciplines with entries discussing writers philosophers literary movements and historical events False Prophets James Martin Gillis, 1925 *Current Literature* Edward Jewitt Wheeler, Frank Crane, 1920 **Current Opinion** Frank Crane, Edward Jewitt Wheeler, 1920 The Catholic Historical Review, 1926 **The Humanist**, 1920 *Modern Medicine, Its Theory and Practice: Diseases of the nervous system* Sir William Osler, 1910 Journal of the American Medical Association, 1911
