Teaching And Assessing Writing:

Teaching and Assessing Writing Edward M. White, 1994-03-01 *Teaching and Assessing Writing* Edward M. White, 1994-03-18 PQ White's new edition of *Teaching and Assessing Writing* retains its place as the best one source examination of issues and techniques. Sensible, thorough, even handed, it is useful for both the novice teacher and the experienced administrator in designing writing classes and programs that can serve many kinds of students fairly. PQS Richard Lloyd Jones, professor of English, University of Iowa. In this thoroughly revised and completely reorganized second edition, White offers the latest theoretical and practical materials that instructors in English and across the disciplines will need in order to help students build strong writing skills. *Teaching and Assessing Writing in the Primary School* Eithne Kennedy, Gerry Shiel, 2025-02-10 The capacity to write well is fundamental to success in school and beyond. Yet many children struggle to become proficient writers. *Teaching and Assessing Writing in the Primary School* provides a comprehensive guide to the theory, practice, and pedagogical research behind teaching children to write. Supported by case studies and real world examples of teaching and learning writing in the classroom, this practical book proposes a whole school research informed writing framework that engages children while building their writing skills. Readers will benefit from building their knowledge of the theory and research behind learning how to write successfully while discovering how they may apply this effectively to their classroom practice. Firmly grounded in the theory of writing and with clear links to practical application, chapters explore effective pedagogies for teaching children aged 4-12 how to write. The planned and received curriculum for writing, including a whole school approach, formative and summative assessment of writing in the classroom, designing and organising a Writing Workshop for pupils, practical implementation of mini lessons to support writing, supporting the needs of diverse writers within our schools. Filled with strategies for teaching, this practical and engaging book will be an essential resource for anyone working within primary schools, including classroom teachers, both new and more experienced, teaching assistants, subject leaders, literacy coordinators, and senior leadership. **Teaching and Assessing Writing** Edward Michael White, 1985 *Teaching and Assessing Writing* Edward M. White, 1985 **Assessing Writing** Billie F. Birnie, 2016-07-19 This book on assessing writing is designed for teachers, school leaders, and evaluators. It begins with a collection of assessment practices that will increase teachers' efficiency and effectiveness as they guide students in learning how to think and write successfully. The second section includes step-by-step procedures, prompts, and rubrics for conducting on-demand, timed writing assessments, either for diagnosis of students' skills or for analysis of instruction. The final section explains how to develop and measure interrater reliability, the extent to which assessors agree on the quality of student writing, a critical component for any faculty that seeks to increase the efficacy of their teaching. Whether readers wish to assess the thinking and writing of students in one class, one school, or a whole district, this book will show them how. *Assessing Writing, Teaching Writers* Mary Ann Smith, Sherry Swain, 2016-12-23 Many writing teachers are searching for

a better way to turn student writing into teaching and learning opportunities without being crushed under the weight of student papers This book introduces a rubric designed by the National Writing Project the Analytic Writing Continuum AWC that is making its way into classrooms across the country at all grade levels The authors use sample student writing and multiple classroom scenarios to illustrate how teachers have adapted this flexible tool to meet the needs of their students including using the AWC to teach revision give feedback direct peer to peer response groups and serve as a formative assessment guide This resource also discusses how to set up a local scoring session and how to use the AWC in professional development Book Features Introduces teachers to a powerful assessment system and teaching tool to support student writing achievement Offers a diagnostic tool for guiding students toward a common understanding of the qualities of good writing Provides ideas for helping students learn from models and give productive feedback to peers Illustrates ways to adjust the AWC to various grade levels and different teaching goals

Teaching and Evaluating Writing in the Age of Computers and High-Stakes Testing Carl Whithaus,2005-04-27 This book takes on a daunting task How do writing teachers continue to work toward preparing students for academic and real world communication situations while faced with the increasing use of standardized high stakes testing Teachers need both the technical ability to deal with this reality and the ideological means to critique the information technologies and assessment methods that are transforming the writing classroom *Teaching and Evaluating Writing in the Age of Computers and High Stakes Testing* serves this dual need by offering a theoretical framework actual case studies and practical methods for evaluating student writing By examining issues in writing assessment ranging from the development of electronic portfolios to the impact of state wide standards based assessment methods on secondary and post secondary courses this book discovers four situated techniques of authentic assessment that are already in use at a number of locales throughout the United States These techniques stress interacting with students as communicators using synchronous and asynchronous environments describing the processes and products of student learning rather than enumerating deficits situating pedagogy and evaluation within systems that incorporate rather than exclude local variables and distributing assessment among diverse audiences By advocating for a flexible system of communication based assessment in computer mediated writing instruction this book validates teachers and students experiences with writing and also acknowledges the real world weight of the new writing components on the SAT and ACT as well as on state mandated standardized writing and proficiency exams
