**Intercultural Language Teaching and Learning** Anthony J. Liddicoat,Angela Scarino,2013-04-22 This

wide ranging survey of issues in intercultural language teaching and learning covers everything from core concepts to program evaluation and advocates a fluid responsive approach to teaching language that reflects its central role in fostering intercultural understanding Includes coverage of theoretical issues defining language culture and communication as well as practice driven issues such as classroom interactions technologies programs and language assessment Examines systematically the components of language teaching language itself meaning culture learning communicating and assessments and puts them in social and cultural context Features numerous examples throughout drawn from various languages international contexts and frameworks Incorporates a decade of in depth research and detailed documentation from the authors collaborative work with practicing teachers Provides a much needed addition to the sparse literature on intercultural aspects of language education

Teaching of Culture in English as an International Language Shen Chen, Thi Thuy Le, 2018-08-06 The importance of integrating the teaching and learning of language and culture has been widely recognised and emphasized However how to teach English as an International Language EIL and cultures in an integrative way in non native English speaking countries remains problematic and has largely failed to enable language learners to meet local and global communication demands Developing students intercultural competence is one of the key missions of teaching cultures This book examines a range of well established models and paradigms from both English speaking and non English speaking countries Exploring questions of why what and how to best teach cultures the authors propose an integrated model to suit non native English contexts in the Asia Pacific The chapters deal with other critical issues such as the relationship between language and power the importance of power relations in communication the relationship between teaching cultures and national interests and balancing tradition and change in the era of globalisation The book will be valuable to academics and students of foreign language education particularly those teaching English as an international language in non native English countries

**Culture and Foreign Language Education** Wai Meng Chan, Sunil Kumar Bhatt, Masanori Nagami, Izumi Walker, 2015-07-31 The teaching of culture and interculturality is today viewed as an integral part of foreign language education This book presents insights from recent research on the role of culture in second foreign and heritage language education It contains 14 chapters including an introductory chapter that discusses diachronically the evolving notion of culture and how the sociocultural view of culture as a complex and dynamic concept informs language teaching and language learning research The chapters following the introduction are organised in four parts focusing on 1 the teacher s role in integrated language and culture learning 2 the interrelationship between culture identity and language learning and use 3 the effect of culture on learner characteristics which impact language learning processes and outcomes and 4 curriculum development aimed at fostering language and culture learning The chapters in Parts 1 to 3 present contributions from current research either in the form of the authors original studies or comprehensive reviews of relevant essential research which bears important implications for curricular practice in foreign language and language teacher

education This close link between research theory and practice is also maintained in the two chapters in Part 4 which present developmental projects based on well grounded theoretical frameworks

**Teaching and Learning Language and Culture** Michael Byram, Carol Morgan, 1994 This book discusses the idea that cultural learning is an integral part of foreign language learning and offers a practical introduction to the issues by describing classroom practice curriculum innovation and experimental courses It also covers principles of methodology and problems in assessing cultural learning

*Teaching and Researching* Joan Kelly Hall, 2002 This work gives readers a perspective on the nature of language and culture looking at how the use of language in real world situations helps us understand how language is used to construct social and cultural worlds

**Mediating Languages and Cultures** Dieter Buttjes, Michael Byram, 1991 The history of language teaching is shot through with methods and approaches to language learning most recently with communicative language teaching but this book demonstrates that a more differentiated and richer understanding of learning a foreign language is both necessary and desirable Languages and cultures are interlinked and interdependent and their teaching and learning should be too Learning another language is part of a complex process of learning and understanding other people s ways of life ways of thinking and socio economic experience

**Intercultural Language Teaching and Learning** Anthony J. Liddicoat, Angela Scarino, 2013-02-05 This wide ranging survey of issues in intercultural language teaching and learning covers everything from core concepts to program evaluation and advocates a fluid responsive approach to teaching language that reflects its central role in fostering intercultural understanding Includes coverage of theoretical issues defining language culture and communication as well as practice driven issues such as classroom interactions technologies programs and language assessment Examines systematically the components of language teaching language itself meaning culture learning communicating and assessments and puts them in social and cultural context Features numerous examples throughout drawn from various languages international contexts and frameworks Incorporates a decade of in depth research and detailed documentation from the authors collaborative work with practicing teachers Provides a much needed addition to the sparse literature on intercultural aspects of language education

**Power in Language, Culture, Literature and Education** Marta Degani, Werner Delanoy, 2023-04-24 In one of the contributions to this edited volume an interviewee argues that English is power For researchers in the field of English Studies this raises the questions of where the power of English resides and which types and practices of power are implied in the uses of English Linguists scholars of literature and culture and language educators address aspects of these questions in a wide range of contributions The book shows that the power of English can oscillate between empowerment and subjection on the one hand enabling humans to develop manifold capabilities and on the other constraining their scope of action and reflection In this edited volume a case is made for self critical English Studies to be dialogic empowering and power critical in approach

*The Skin That We Speak* Lisa Delpit, Joanne Kilgour Dowdy, 2013-04-09 Lucid accessible research on classroom language bias for educators and parents

concerned about questions of power and control in public schools Publishers Weekly In this collection of twelve essays MacArthur Fellow Lisa Delpit and Kent State University Associate Professor Joanne Kilgour Dowdy take a critical look at the issues of language and dialect in the education system *The Skin That We Speak* moves beyond the highly charged war of idioms to present teachers and parents with a thoughtful exploration of the varieties of English spoken today At a time when children who don't speak formal English are written off in our schools and when the class and race biased language used to describe those children determines their fate *The Skin That We Speak* offers a cutting edge look at this all important aspect of education Including groundbreaking work by Herbert Kohl Gloria J Ladson Billings and Victoria Purcell Gates as well as classic texts by Geneva Smitherman and Asa Hilliard this volume of writing is what Black Issues Book Review calls an essential text The book is aimed at helping educators learn to make use of cultural differences apparent in language to educate children but its content guarantees broader appeal Booklist An honest much needed look at one of the most crucial issues in education today Jackson Advocate
