Teaching Materials On Estate Planning:

Teaching Materials on Estate Planning GERRY W. BEYER, 2023-07-12 This law school casebook provides a comprehensive review of the estate planning process It is easily adaptable to two and three credit courses and seminars The new edition retains the basic structure of the prior edition with significant updates to reflect recent developments in law and practice Part One focuses on the substantive law applicable to estate planning while Part Two concentrates on estate planning practice itself Extensive researching and drafting exercises are included to hone the student s practical skills Most of the material is self explanatory and thus the professor may reserve class time for more difficult topics areas that merit special attention and concerns raised by local law [Teacher's Manual to Accompany Teaching Materials on Estate Planning](#) Gerry W. Beyer, 1995-04-01 *Estates and Trusts* Stewart E. Sterk, Melanie B. Leslie, Joel C. Dobris, 2011 This casebook presents a functional approach to Trusts and Estates In addition to a focus on recent cases the book uses questions and problems to focus student attention on issues that face estate planners litigators and policy makers In each chapter it integrates discussion of drafting and planning issues with its treatment of doctrine and policy In addition this casebook is accompanied by power point slides to use in explaining concepts for which diagrams are useful such as intestate succession the elective share anti lapse statutes abatement and future interests The unusually helpful teacher s manual includes not only case summaries and detailed legal analysis but detailed lesson plans and discussion questions for those new to law teaching For more information and additional teaching materials visit the companion site [Wills, Trusts, and Estates, Eleventh Edition](#) Robert H.
