Teaching Social Studies in the Elementary School Ralph Clausius Preston,1968 **Teaching Social Studies** James Litle,Gerald L. Wilson, Virginia Wilson,1993-01-30 Just as society has changed dramatically over the last century so have the social sciences This valuable reference chronicles the historical development of social studies as a discipline in elementary and secondary schools It also assesses the current state of teaching and research in the social sciences and history at the pre college level and it charts new directions for the future of social studies in secondary and elementary schools By tracing the historical development of social studies the reference indicates how social studies has constantly been redefined to meet the changing needs and expectations of society At the same time the historical context provided by the authors sheds new light on the current state of social studies in the curriculum and the development of social studies in the future The book begins with introductory chapters that overview themes and issues common to all areas of history and the social sciences The chapters that follow summarize and assess the developments and trends of particular fields commonly thought to constitute social studies The volume concludes with chapters on broad topics including the place of religion in the social studies curriculum the role of writing in history and the social sciences and the professional training of social studies teachers Each chapter begins with a section of reflections on the development of the discipline followed by a section on current issues and trends followed by a final section of projections for the future of the discipline The result is a comprehensive overview of the past present and future of social studies in elementary and secondary schools and an indispensable reference for educators historians and social scientists The Challenge of Teaching Social Studies in the Elementary School: Readings Dorothy J.

Skeel,1972 *50 Ways to Teach Social Studies for Elementary Teachers* S. Kay Gandy,2021-06-19 If you are searching for ideas to teach social studies in fun and meaningful ways 50 Ways to Teach Social Studies is a book that provides a plethora of ideas of practical lessons connected to real world topics that will save the busy teacher time and effort The activities in this book are housed under themes and include content connections civics history geography economics guiding questions and literacy connections From community primary sources and music to food visual media and experiential learning this book will inspire you to make connections in your own environment to expand the teaching of social studies *Teaching the Social Studies in the Elementary School* Joy Muchmore Lacey,1947 **Is Social Studies Being Taught in Elementary Schools?** Katie Sorensen,2006 The purpose of this study was to determine the status of social studies in elementary classrooms in a local school district Status was determined by assessing the amount of instructional time that was devoted to social studies its perceived importance in the curriculum and challenges associated with teaching social studies Three research questions were identified in order to examine the status of social studies in Apple School District pseudonym 1 To what degree is social studies being taught in the elementary grades one through five 2 How important is social studies compared to other areas of the curriculum 3 What do elementary teachers identify to be challenges associated with teaching social studies Data for this study were gathered through a single distribution of a survey Teachers of grades one through five from 19 elementary schools participated in this study Surveys were collected from 351 teachers Results of this study indicated that social studies was being taught in 98% of the classrooms of teachers surveyed A post hoc analysis of variance revealed that fifth grade teachers reported teaching social studies significantly more days per week than first second and third grade teachers Results also revealed that fourth grade teachers taught significantly more days per week than second grade teachers Participants reported their perception that social studies was less important than literacy math and science Participants also identified challenges to teaching social studies The three most often mentioned challenges were time constraints lack of resources and core curriculum issues **Social Studies in Elementary Education** John Jarolimek,1959 *Teaching Social Studies in the Elementary School* Theodore Kaltsounis,1987 *Social Studies for Social Justice* Rahima C. Wade,2007-04-13 Dedication to social justice teaching is important yet putting one s ideals into practice in American schools is a challenging task This book goes beyond theory and idealism to fully explore the value and impact of implementing social action and social justice activities in the elementary school classroom Informed by the experiences of more than forty teachers across the country this thoughtful resource Examines how elementary teachers from inner cities to rural towns use the social studies curriculum to teach about and for social justice Focuses on how teaching social studies for social justice relates to standardized testing state curricula and the local challenges teachers face Offers classroom activities Reflection Exercises and Teaching Ideas to provide teachers with practical applications for the topics discussed Includes a list of children s literature books curricular materials and websites *Teaching Social Studies in the Elementary School* Mark C.
