**Pathways in Theodicy** ,2015-04-10 Why does God permit senseless suffering If God is good and all powerful why does evil exist The problem of evil perennially vexes theology but many theologians have abandoned the project of theodicy or the theological explanation of evil as either fruitless or hopeless Academic studies on theodicy moreover typically succumb to theological deficiency and abstraction often devoid of any concrete connection to Christian life and practice In Pathways in Theodicy designed for students and scholars alike Mark S M Scott reinvigorates stalled debates in philosophy and theology through a detailed reassessment of the problem of evil and the task of theodicy and through a careful analysis of the major models and motifs in theodicy Scott explores the strengths and weaknesses of classic and contemporary perspectives on the problem of evil and invites readers to assess the cogency and relevance of each on their own Rather than promoting a single perspective Pathways in Theodicy explores the plurality of options available to treat the problem of evil and the provisional and tentative nature of theodicy which searches not for final definitive solutions but for viable ways to move the conversation forward **The Poetical Works** Alfred Tennyson Baron Tennyson,1873 *ELH.* ,1954 **The Homilist; or, The pulpit for the people, conducted by D.
