## **Tears Of The Madonna:**

**Madonnaland** Alina Simone,2016-03-01 When Alina Simone agreed to write a book about Madonna she thought it might provide an interesting excuse to indulge her own eighties nostalgia Wrong What Simone discovered instead was a tidal wave of already published information about Madonna and her own ambivalence about maybe even jealousy of the Material Girl s overwhelming commercial success With the straight ahead course stymied Simone set off on a quirky detour through the backroads of celebrity and fandom and the people who love or loathe Madonna In this witty sometimes acerbic always perceptive chronicle Simone begins by trying to understand why Madonna s birthplace Bay City Michigan won t even put up a sign to celebrate its most famous citizen and ends by asking why local bands who make music that s authentic and true can disappear with barely a trace In between she ranges from Madonna fans who cover themselves with tattoos of the singer s face and try to make fortunes off selling her used bustiers and dresses to Question Mark and the Mysterians one hit wonders best known for 96 Tears and Flying Wedge a Detroit band that dropped off an amazing two track record in the office of CREEM magazine in 1972 and vanished until Simone tracked it down Filled with fresh insights about the music business fandom and what it takes to become a superstar **Madonnaland** is as much a book for people who like Simone prefer dark rooms coffee and state subsidized European films filled with existential despair as it is for people who can t get enough of Madonna
