The work of the UK Border Agency (December 2011-March 2012) Great Britain: Parliament: House of Commons: Home Affairs Committee,2012-07-23 For the first time the Committee has collated the backlog of outstanding cases in the various areas where the UK Border Agency deals with casework This report criticises the Agency for failing to conclude the total backlog of 276 460 cases The Committee makes a number of key recommendations a team should be established to examine why the 3 900 foreign national offenders living in the community as of 4 April have not been deported deportation proceedings for foreign national prisoners must begin at the time of sentencing a list of those countries refusing to accept the return of their own criminals who have committed offences in the UK must be published the Agency should expand its checks to include a wider range of databases in order to assist with tracing of those in the controlled archive students should be removed from net migration target face to face interviews for all foreign students must be compulsory the Agency must be represented at 100% not 84% of all tribunal hearings all inspection visits on Tier 4 must be unannounced the Agency must inform the informants as to possible illegal immigrants of the outcome of their tip off and provide a breakdown of the outcomes of its enforcement visits The Committee reiterates that Senior Agency staff should not receive bonuses until the Agency s performance improves and bonuses paid in the past contrary to the Committee s recommendations should be repaid

Limited owns and operates seven UK airports Heathrow Gatwick Stansted Southampton Glasgow Edinburgh and Aberdeen
They handle nearly 150 million passengers a year and are a vital part of the country s transport infrastructure In the light of
the Office of Fair Trading s referral of BAA to the Competition Commission to investigate whether BAA s market position was
limiting competition in the UK aviation sector the Committee set up its own inquiry It particularly wanted to consider the
regulatory framework the quality of service provided the size and quality of investment any consequences following the
acquisition of BAA by Ferrovial the implications of further runway and terminal capacity how more competition could be
introduced into the market The Committee concludes that the drawbacks of common ownership outweigh the advantages and
identifies a problem with service quality It believes that increased competition is possible and hopes the Competition
