Lukas, **LIFE** ,1947-01-20 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **The Strange Alliance** John R. Deane,1973 *The Strange Alliance* John R. Deane,1942 *The Oder-Neisse Line* Debra J. Allen,2003-07-30 When the United States and its World War II allies met at the Potsdam Conference to provisionally establish the Oder Neisse line as Poland s western border and to acknowledge the removal of Germans from the area they created a controversial Cold War issue that would not be resolved until 1990 American policy makers throughout those decades studied and analyzed materials and reports to determine whether the border should be adjusted or recognized to promote the well being of Europe and the United States This is the first study to cover the full history of the Oder Niesse line and its impact on U S relations with Poland and the Federal Republic of Germany as well as its domestic implications throughout the Cold War years As with many diplomatic questions the State Department did not have the luxury of addressing this issue in a vacuum Instead the foreign policy bureaucracy had to keep its focus on the border issue while scrutinizing Soviet words and actions regarding its satellites in East Germany and Poland and to address members of Congress and the public including various groups of Polish

Americans who wanted specific but often differing actions taken in respect to the border This work reveals how the diplomats and policy makers handled such internal conflict the sometimes skewed perceptions of America held by Europeans and how the State Department interacted with the public *The Strange Alliance, by John R. Deane* John R Deane,1947 The Little Ally Effie F. Putney,1919 *Forgotten Bastards of the Eastern Front* Serhii Plokhy,2019 The full story of the first and only time American and Soviets fought side by side in World War II At the conference held in in Moscow in October 1943 American officials proposed to their Soviet allies a new operation in the effort to defeat Nazi Germany The Normandy Invasion was already in the works what American officials were suggesting until then was a second air front the US Air Force would establish bases in Soviet controlled territory in order to shuttle bomb the Germans from the Eastern front For all that he had been pushing for the United States and Great Britain to do more to help the war effort the Soviets were bearing by far the heaviest burden in terms of casualties Stalin recalling the presence of foreign troops during the Russian Revolution balked at the suggestion of foreign soldiers on Soviet soil His concern was that they would spy on his regime and it would be difficult to get rid of them afterward Eventually in early 1944 Stalin was persuaded to give in and Operation Baseball and then Frantic were initiated B 17 Flying Fortresses were flown from bases in Italy to the Poltava region in Ukraine As Plokhy s book shows what happened on these airbases mirrors the nature of the Grand Alliance itself While both sides were fighting for the same goal Germany s unconditional surrender differences arose that no common purpose could overcome Soviet secret policeman watched over the operations shadowing every move and eventually trying to prevent fraternization between American servicemen and local women A catastrophic air raid by the Germans revealed the limitations of Soviet air defenses Relations soured and the operations went south Indeed the story of the American bases foreshadowed the eventual collapse of the Grand Alliance and the start of the Cold War Using previously inaccessible archives *Forgotten Bastards* offers a bottom up history of the Grand Alliance showing how it first began to fray on the airfields of World War II The "strange Alliance" and the Conflict that Existed Among the Allies, 1943-1945, Concerning the Position of Great Britain in Yugoslavia J. Frank Cotter,1971 **The Army Air Forces in World War II: Europe, argument to V-E Day, January 1944 to May 1945** ,1948 **The strange Alliance : The story of our efforts at wartime co-operation with Russia** John Russell Deane,1973 **Glances at Inner England** Edward Jenkins,1874 **Graphic stories of adventure, ed. by M.T.
