The Stranger House:

The Stranger House Reginald Hill, 2010-10-22 A stunning new psychological thriller set in past and present day Cumbria from the award winning author of the Dalziel and Pascoe series Things move slowly in the tiny village of Illthwaite but that is about to change with the arrival of two strangers Sam Flood is a young Australian post grad en route to Cambridge Miguel Madero is a Spanish historian in flight from a seminary They have nothing in common and no connection except that they both want to dig up bits of the past that some people would rather keep buried Sam is looking for information about her grandmother who left Illthwaite courtesy of the child migrant scheme four decades earlier The past Mig is interested in is more than four centuries old They meet in the village pub the Stranger House a remnant of the old Illthwaite Priory They can find nothing to agree on Sam believes that anything that can't be explained by math isn't worth explaining Mig sees ghosts Sam is a fun loving experienced young woman Mig is a 26 year old virgin But once their paths cross they become increasingly entangled as they pursue what at first seem to be separate quests finding out the hard way who to trust and who to fear in this ancient village The action is fast there are clashes physical and metaphysical and shocks natural and supernatural as the tension mounts to an explosive climax But fans of Reginald Hill's will not be surprised to find a few laughs along the way And very loyal fans might even recognize a ghost from the very distant past

historical anthropological social political legal and cultural dimensions have been widely studied and reasonably well
understood and the next chapter will discuss them in detail By contrast theology as an academic discipline seems least
capable of illuminating this human phenomenon It appears to most people outside the church and its educational institutions
to be at best an esoteric subject and at worst a convoluted and useless mumbo jumbo especially when liberally sprinkled with
