## The Structure Of Praise:

**The Structure of Praise in Old English Poetry** Oliver James Herman Grosz, 1971 [The Structure of Praise: a Design Study - Architecture for Religion in New Engla](#) A.B. Mazmanian, 1973 **The Art of Preaching Old Testament Poetry** Steven D. Mathewson, 2024-11-05 Preachers often struggle with preaching Old Testament poetry They are uncertain how to preach the highly emotive poems in Psalms the one liners in Proverbs the tedious conversations in Job the esoteric observations about life in Ecclesiastes and the confusing love poems in the Song of Songs Here leading pastor theologian Steven Mathewson instructs and inspires preachers to preach some of the most challenging and some of the richest material in the Old Testament This companion to his successful *The Art of Preaching Old Testament Narrative* guides readers through preaching the oft neglected Old Testament poetic books Mathewson introduces foundational issues and offers basic methodology and preaching strategies that are faithful to the text and sensitive to its listeners Highlighting Mathewson's skill at bringing the riches of the Old Testament to bear on the life of the church this book makes scholarship on the poetic books accessible for pastors and pastors in training It also includes sample sermons *Invitation to Biblical Interpretation* Andreas Köstenberger, 2021-02-23 2nd Edition An authoritative guide to accurately interpreting and applying God's Word In this second edition of *Invitation to Biblical Interpretation* Andreas Kostenberger leads the reader step by step through the process of interpreting and applying God's Word The primary principle is the hermeneutical triad which consists of history literature and theology Readers are equipped to explore the historical background of a biblical passage analyze its literary genre and features and derive its theological meaning in light of the biblical canon Numerous examples are provided throughout to illustrate the concepts A concluding chapter provides direction on practical application preaching and helpful tools for Bible study Additional features include key words and definitions at the end of each chapter study questions and practical exercises for applying the material An appendix lists numerous resources for Bible study including recommended commentaries for every book of the Bible The second edition updates these resources as well as the sources cited throughout and includes a revised chapter on the Old Testament canon Instructors students pastors and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library *The Structure of Praise* Arthur B. Mazmanian, 1970 **The Structure of Psalms 93-100** David M. Howard (Jr.), 1997 Revision of the author's thesis doctoral University of Michigan 1986 **Praiseworthiness** Zoë Johnson King, 2025-10-13 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations Philosophers have had a lot to say about moral blameworthiness but much less about moral praiseworthiness In this book Zo Johnson King bucks the trend she offers a conceptual framework with which to theorise about praiseworthiness in its own right and a comprehensive theory of the types of thing for which we can be praiseworthy and the substantive conditions under which we are praiseworthy for things

of each type Johnson King argues that what we are fundamentally praiseworthy for what makes us good people to the extent that we are are what we care about and what we try to do She then argues that we can be praiseworthy for what we successfully do and bring about to the extent that our actions are deliberate and are coming from a good place In developing this account Johnson King draws on resources from moral metaphysics moral epistemology moral metasemantics and philosophy of action as well as from the philosophical literature on moral responsibility She then uses her account to shed light on some practical issues concerning improving your own praiseworthiness by working on yourself the prevalence of moral luck and the impact of oppression and injustice on praiseworthiness The final chapter turns from praiseworthiness to the ethics of praise Johnson King takes the backlash against praise of essential workers during the pandemic as a case study that illustrates an array of pitfalls around which we must delicately skirt when attempting to praise the praiseworthy *A key to the Psalms, a tabular arrangement, by T. Boys, ed. by E.W. Bullinger* Thomas Boys, Ethelbert William Bullinger, 1890

**The End of the Psalter** Alma Brodersen, 2017-06-26 Psalms 146 150 sometimes called Final Hallel or Minor Hallel are often argued to have been written as a literary end of the Psalter However if sources other than the Hebrew Masoretic Text are taken into account such an original unit of Psalms 146 150 has to be questioned The End of the Psalter presents new interpretations of Psalms 146 150 based on the oldest extant evidence the Hebrew Masoretic Text the Hebrew Dead Sea Scrolls and the Greek Septuagint Each Psalm is analysed separately in all three sources complete with a translation and detailed comments on form intertextuality content genre and date Comparisons of the individual Psalms and their intertextual references in the ancient sources highlight substantial differences between the transmitted texts The book concludes that Psalms 146 150 were at first separate texts which only in the Masoretic Text form the end of the Psalter It thus stresses the importance of Psalms Exegesis before Psalter Exegesis and argues for the inclusion of ancient sources beyond to the Masoretic Text to further our understanding of the Psalms *The Book of Psalms* Peter W. Flint, Patrick D. jr Miller, Aaron Brunell, Ryan Roberts, 2005 This landmark volume covers the main aspects of modern Psalms study from the formation of individual Psalms down into the first centuries of the Common Era the formation of the Psalter individual Psalms and smaller collections social setting literary context textual history nachleben and theology **The Modern Reader's Bible** Richard Green Moulton, 1907 *The Evangelical Repository*, 1875 *The Companion Bible* E.
