The Star Of Bethlehem Goes Off Course:

Overview of God's Word: The True North of our Faith Riaan Engelbrecht,2023-05-24 The Bible is an epic masterpiece There is a continuous flow to the Bible and it does flow like a story It is God s story told through numerous characters events adventures trials tribulations and situations There is nothing grander or more splendid than God s story This book is not a comprehensive study of the Bible therefore it is not a blow by blow account of every book and every story Rather it is a sweeping glance at what the Bible offers We can only know the heart of God who God truly is and understand His commandments His teachings His truths and values when we study and know the Word The Bible is truly God s Word and should shape our lives daily If one reads the Bible as led by the Spirit without a preconceived bias for finding errors or based on one s education or understanding one will find it to be a coherent consistent and relatively easy to understand book of God It is the Truth and so it is the light and lamp unto our feet and path The Bible must be treated by disciples as all sufficient and inerrant without error to lead us guide us teach us and show us the way and the will of God The Word of God is real alive and powerful and the final authority on God s will As believers of God we must know the Word study it love it cherish it and abide by it for it is the source of eternal life faith salvation freedom spiritual food growth blessedness purity guidance comfort spiritual victory assurance and of joy May we know it to find our purpose and the meaning of life according to a great and awesome God *The Principles of Powerful Prayer* Richard T.R. Sullivan,2011-10-14 This is a book on prayer that is simple but most of all practical All the aspects of prayer are covered and broken down into a series of easy to follow steps This book is easy to use it s just like following a recipe of prayer **A Christmas Present Advent Readings from the Sermons of Rev. Dr. Henry Dobbs Pope** Rhonda Broyles,2017-11-26 In the birth of Jesus Christ God is overcoming all impossibilities to get to us to reach us to draw us into the closest possible relationship of love Even if we cannot accept it if it is stretching our minds too far to believe it we do not change the event only cut ourselves off from one avenue of grace with which God seeks to reach us In this A Christmas Present Advent journey read the words of Henry Dobbs Pope as he speaks to the mystery of Christmas that takes hold of us the words the stories the songs that stir up something in us and the silence that whispers hope to our deepest desires of love at the core of our being *God's Voice* Riaan Engelbrecht,2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn t speak Think about it The Creator of all actually speaks to us He does not just speak to

the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen **Christian Advocate** ,1922
